NEW COUNTERFEIT

To Member Banks in the Second Federal
Reserve District and others concerned:

At the request of the Secret Service Division of the Treasury Department, New York District, we are hereby notifying all member banks in the Second Federal Reserve District and others concerned of the appearance of a new counterfeit \$10 Federal Reserve note described by the Secret Service Division as follows:

COUNTERFEIT \$10 FEDERAL RESERVE NOTE:

On the FEDERAL RESERVE BANK OF NEW YORK, N. Y.; Series of 1934; Check Letter 'F'; Face Plate No. 23; Back Plate No. 332; Serial No. B23754195A; bearing facsimile signatures of W. A. JULIAN, Treasurer of the United States, and HENRY MORGENTHAU, JR., Secretary of the Treasury, portrait of HAMILTON.

This counterfeit is a fair photo-mechanical reproduction printed on one piece of bond paper heavier than the genuine, and on which no attempt has been made to imitate the silk fiber. The Treasury seal and serial numbers are executed in a dull green and the portrait of HAMILTON is darker than the genuine and the face lacks expression. The note is not calculated to deceive the experienced handler of currency.

Should this or any other counterfeit come to your attention it should be forwarded with all available information regarding it to the office of the U. S. Secret Service in your territory. Offices of the Service are located in the Post Office Buildings in Syracuse, Buffalo, N. Y., and Newark, N. J., and in the Customhouse Building in New York City.

George L. Harrison,
Governor.
