Department Circular No. 643
Fiscal Service
Bureau of the Public Debt

TREASURY DEPARTMENT,
OFFICE OF THE SECRETARY,
Washington, October 24, 1940.

I. OFFERING OF NOTES

1. The Secretary of the Treasury, on behalf of the United States Housing Authority, invites subscriptions, at par and accrued interest, from the people of the United States for notes of the United States Housing Authority, designated ½ percent notes of Series E. The amount of the offering is \$100,000,000, or thereabouts.

II. DESCRIPTION OF NOTES

- 1. The notes will be dated November 1, 1940, and will bear interest from that date at the rate of ½ percent per annum, payable semiannually on May 1, 1941, and November 1, 1941. They will mature November 1, 1941, and will not be subject to call for redemption prior to maturity.
- 2. The notes will be issued under authority of an act of Congress (known as "United States Housing Act of 1937") approved September 1, 1937, as amended, which provides that the notes shall be fully and unconditionally guaranteed upon their face by the United States as to the payment of both interest and principal; that in the event the Authority shall be unable to make any such payment upon demand when due, payments shall be made to the holder by the Secretary of the Treasury with money authorized to be appropriated for such purpose out of any money in the Treasury not otherwise appropriated; and that the notes shall be exempt, both as to principal and interest, from all taxation (except surtaxes, estate, inheritance, and gift taxes) now or hereafter imposed by the United States or by any State, county, municipality, or local taxing authority. These notes shall be lawful investments and may be accepted as security for all fiduciary, trust, and public funds the investment or deposit of which shall be under the authority or control of the United States or any officer or agency thereof.
- 3. Bearer notes with interest coupons attached will be issued in denominations of \$1,000, \$10,000 and \$100,000. The notes will not be issued in registered form.

III. SUBSCRIPTION AND ALLOTMENT

1. Subscriptions will be received at the Federal Reserve Banks and Branches and at the Treasury Department, Washington. Banking institutions generally may submit subscriptions for account of customers, but only the Federal Reserve Banks and the Treasury Department are authorized to act as official agencies. Others than banking institutions will not be permitted to enter subscriptions except for their own account. Subscriptions from banks and trust companies for their own account will be received without deposit but will be restricted in each case to an amount not exceeding one-half of the combined capital and surplus of the subscribing

bank or trust company. Subscriptions from all others must be accompanied by payment of 10 percent of the amount of notes applied for.

2. The Secretary of the Treasury reserves the right to reject any subscription, in whole or in part, to allot less than the amount of notes applied for, and to close the books as to any or all subscriptions at any time without notice; and any action he may take in these respects shall be final. Allotment notices will be sent out promptly upon allotment, and the basis of the allotment will be publicly announced.

IV. PAYMENT

1. Payment at par and accrued interest, if any, for notes allotted hereunder must be made or completed on or before November 1, 1940, or on later allotment. In every case where payment is not so completed, the payment with application up to 10 percent of the amount of notes applied for shall, upon declaration made by the Secretary of the Treasury in his discretion, be forfeited to the United States.

V. GENERAL PROVISIONS

- 1. As fiscal agents of the United States, Federal Reserve Banks are authorized and requested to receive subscriptions, to make allotments on the basis and up to the amounts indicated by the Secretary of the Treasury to the Federal Reserve Banks of the respective districts, to issue allotment notices, to receive payment for notes allotted, to make delivery of notes on full-paid subscriptions allotted, and they may issue interim receipts pending delivery of the definitive notes.
- 2. The Secretary of the Treasury may at any time, or from time to time, prescribe supplemental or amendatory rules and regulations governing the offering, which will be communicated promptly to the Federal Reserve Banks.

HENRY MORGENTHAU, Jr.,
