## GENERAL NOTES

(Revised as of Cumulative Supplement No. 3 to Revision IV)

- (1) The Proclaimed List is divided into two parts: part I relates to listings in the American republics; part II relates to listings outside the American republics.
- (2) In part I titles are listed in their letter-address form, word for word as written in that form, with the following exceptions:

If the title includes a full personal name, that is, a given name or initial and surname, the title is listed under the *surname*.

Personal-name prefixes such as *de, la, von,* etc., are considered as part of the surname and are the basis for listing.

The listing is made under the next word of the title when the initial word or phrase, or abbreviation thereof, is one of the following Spanish forms or similar equivalent forms in any other language:

Compañía; Cía.; Comp.

Compañía Anónima; C.A.; Comp. Anón.

Sociedad; Soc.

Sociedad Anónima; S.A.; Soc. Anón.

- (3) Spanish personal names containing a compound surname are listed, with rare exceptions, under the first part of the surname. For example, the name José Fulano Sutano or José Fulano y Sutano would be listed:

Fulano Sutano, José

or

Fulano y Sutano, José

Users of the list should, as a precaution, check all surnames that are part of a particular name.

- (4) Addresses appearing after names on the List are not intended to exclude other addresses of the same firms or individuals. A listed name refers to all branches of the business in the country.
- (5) Revision IV of the Proclaimed List, of which this is a supplement, supersedes all previous lists published prior to November 12, 1942. The present series of supplements is cumulative, and each succeeding supplement supersedes all previous supplements to the List. Accordingly, the current Cumulative Supplement and Revision IV together constitute the effective List.
- (6) For the convenience of users, symbols are placed after each name on the List to indicate, by reference to the table below, the dates of the supplements or revisions in which the name first appeared, or was amended or deleted. It has not been found practicable, however, to indicate here the dates of listings made between July 17, 1941, the date of the original list, and Revision I, dated February 7, 1942. Accordingly, names appearing prior to Revision I and retained in that revision are followed only by the symbol "I". Roman numerals refer to revisions, arabic numerals to supplements. For example, a name followed by the symbols II-1, III, IV-1 signifies that the listing first

appeared in Revision II, Supplement 1; was *amended* in Revision III; and was *amended or deleted* in Revision IV, Supplement 1. Since in the Cumulative Supplements deletions as well as amendments are carried in each succeeding supplement, the last of two or more symbols may reflect either an amendment or a deletion, depending on the action heading under which the listing currently appears.
