FEDERAL RESERVE BANK OF NEW YORK Fiscal Agent of the United States

[Circular No. 2775] March 10, 1944]

TREASURY BILLS

Change in Method of Transmitting Data Showing Results of Offerings

To all Incorporated Banks and Trust Companies in the Second Federal Reserve District and Others Concerned:

To conserve labor and paper and to save the expense of postage, the mimeographed copies of the public announcements of the Secretary of the Treasury of the results of each offering of Treasury bills, which we have sent to you each week in accordance with our Circular No. 2489, dated August 25, 1942, are being discontinued this week. In their place we shall print, at the foot of our circular containing public notice of the offering of Treasury bills each week, the results of the offering made during the previous week. The results of the offering of Treasury bills dated March 9, 1944 are set forth at the foot of our Circular No. 2776 dated March 10, 1944 containing public notice of the offering of Treasury bills to be dated March 16, 1944.
