{ Circular No. 3267 }
September 29, 1947 }

REDEMPTION OF 4 $\frac{1}{4}$ PERCENT TREASURY BONDS OF 1947-52

To all Banks and Trust Companies in the
Second Federal Reserve District and Others Concerned:

In our Circular No. 3223 dated June 12, 1947, we set forth the text of a formal notice issued by the Secretary of the Treasury on June 13, 1947, to the effect that all outstanding 4 $\frac{1}{4}$ percent Treasury Bonds of 1947-52, dated October 16, 1922, have been called for redemption at par as of October 15, 1947, on which date interest on such bonds will cease. This issue will be redeemed in cash and no other obligations of the United States will be offered in exchange.

Full information regarding the presentation and surrender of these securities for cash redemption will be found in Department Circular No. 666 dated July 21, 1941. Such securities may be presented and surrendered to Federal Reserve Bank of New York or its Buffalo Branch for redemption as of October 15, 1947. Holders are urged to present their securities as soon as possible in order to insure prompt payment. All shipments will be made at the risk and expense of the owner.

Bearer Bonds. Bearer bonds should be submitted with an application on the enclosed form G. B. 311.6. All interest coupons due and payable on or before October 15, 1947, should be detached and collected in the regular course. All coupons bearing later dates should be left attached. Unless appropriate instructions to the contrary accompany the securities, payment of the principal will be made by check to the order of the person presenting and surrendering the securities and mailed to him at the address given in the request for redemption.

Registered Bonds. Registered bonds should be submitted with an application on the enclosed form G. B. 310.2. A registered bond presented for redemption must be duly assigned by or on behalf of the registered payee and all subsequent assignees. All assignments should be made on the bonds themselves. If payment is to be made to the registered payee or an assignee holding under proper assignment from the registered payee, the bonds should be assigned by or on behalf of such payee or assignee to "the Secretary of the Treasury for redemption". If payment is to be made to some other person, the bonds should be assigned to "the Secretary of the Treasury for redemption for account of" (inserting the name and address of the person to whom payment is to be made), but assignments in this form must be completed before acknowledgment, and not left in blank. In all cases payment will be made by check to the order of the person entitled thereto and, unless otherwise directed, the check will be mailed to the address given in the request for redemption. Final interest due October 15, 1947, will be paid simultaneously with the principal, in accordance with the assignments on the bonds surrendered, irrespective of the dates of such assignments.

Additional copies of this circular or of the application forms will be furnished upon request.

ALLAN SPROUL,
President.
