To all Banking Institutions, and Others Concerned, in the Second Federal Reserve District:

The following press statement was today made public:

Secretary of the Treasury Snyder today announced the offering, through the Federal Reserve Banks, of 1½ percent Treasury Certificates of Indebtedness of Series E-1950, open on an exchange basis, in authorized denominations, to holders of 1½ percent Treasury Certificates of Indebtedness of Series E-1949, maturing June 1, 1949, in the amount of \$4,301,117,000, or 2 percent Treasury Bonds of 1949-51, dated January 15, 1942, called for redemption on June 15, 1949, in the amount of \$1,014,018,900. Exchanges will be made par for par in the case of the maturing certificates, and at par with an adjustment of interest as of June 15, 1949, in the case of the called bonds. Cash subscriptions will not be received.

The certificates now offered will be dated June 1, 1949, and will bear interest from that date at the rate of one and one-quarter percent per annum, payable with the principal at maturity on June 1, 1950. They will be issued in bearer form only, in denominations of \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000.

Pursuant to the provisions of the Public Debt Act of 1941, as amended, interest upon the certificates now offered shall not have any exemption, as such, under the Internal Revenue Code, or laws amendatory or supplementary thereto. The full provisions relating to taxability are set forth in the official circular released today.

Subscriptions will be received at the Federal Reserve Banks and Branches, and at the Treasury Department, Washington, and should be accompanied by a like face amount of the securities to be exchanged, and where called bonds in coupon form are presented, by payment of accrued interest on the new certificates at the rate of \$0.47945 per \$1,000, since in these cases interest is to be adjusted as of June 15, 1949. Subject to the usual reservations, all subscriptions will be allotted in full.

The subscription books will close for the receipt of all subscriptions at the close of business Monday, May 23.

Subscriptions addressed to a Federal Reserve Bank or Branch or to the Treasury Department, and placed in the mail before midnight May 23, will be considered as having been entered before the close of the subscription books.

The terms of this offering are set forth in Treasury Department Circular No. 846, dated May 19, 1949, copy of which is printed on the reverse side.

The subscription books are now open and applications will be received by this bank as fiscal agent of the United States. Cash subscriptions will not be received. Exchange subscriptions should be made on official subscription blanks and mailed immediately or, if filed by telegram or letter, should be confirmed immediately by mail on the blanks provided.

Allan Sproul,

President.

1¹/₄ PERCENT TREASURY CERTIFICATES OF INDEBTEDNESS OF SERIES E-1950
Dated and bearing interest from June 1, 1949
Due June 1, 1950

Department Circular No. 846

Fiscal Service
Bureau of the Public Debt

TREASURY DEPARTMENT,
OFFICE OF THE SECRETARY,
Washington, May 19, 1949.

I. OFFERING OF CERTIFICATES

1. The Secretary of the Treasury, pursuant to the authority of the Second Liberty Bond Act, as amended, invites subscriptions from the people of the United States for certificates of indebtedness of the United States, designated 1½ percent Treasury Certificates of Indebtedness of Series E-1950, in exchange for 1½ percent Treasury Certificates of Indebtedness of Series E-1949, maturing June 1, 1949, or 2 percent Treasury Bonds of 1949-51, dated January 15, 1942, called for redemption on June 15, 1949. Exchanges will be made par for par in the case of the maturing certificates, and at par with an adjustment of interest as of June 15, 1949, in the case of the called bonds.

II. DESCRIPTION OF CERTIFICATES

1. The certificates will be dated June 1, 1949, and will bear interest from that date at the rate of 1¼ percent per annum, payable with the principal at maturity on June 1, 1950. They will not be subject to call for redemption prior to maturity.

2. The income derived from the certificates shall be subject to all taxes, now or hereafter imposed under the Internal Revenue Code, or laws amendatory or supplementary thereto. The certificates shall be subject to estate, inheritance, gift or other excise taxes, whether Federal or State, but shall be exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority.

3. The certificates will be acceptable to secure deposits of public moneys. They will not be acceptable in payment of taxes.

4. Bearer certificates will be issued in denominations of \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. The certificates will not be issued in registered form.

5. The certificates will be subject to the general regulations of the Treasury Department, now or hereafter prescribed, governing United States certificates.

III. SUBSCRIPTION AND ALLOTMENT

1. Subscriptions will be received at the Federal Reserve Banks and Branches and at the Treasury Department, Washington. Banking institutions generally may submit subscriptions for account of customers, but only the Federal Reserve Banks and the Treasury Department are authorized to act as official agencies.

2. The Secretary of the Treasury reserves the right to reject any subscription, in whole or in part, to allot less than the amount of certificates applied for, and to close the books as to any or all subscriptions at any time without notice; and any action he may take in these respects shall be final. Subject to these reservations, all subscriptions will be allotted in full. Allotment notices will be sent out promptly upon allotment.

IV. PAYMENT

1. Payment for certificates allotted hereunder must be made on or before June 1, 1949, or on later allotment. Payment of the principal amount may be made only in Treasury Certificates of Indebtedness of Series E-1949, maturing June 1, 1949, or in Treasury Bonds of 1949-51, called for redemption on June 15, 1949, which will be accepted at par and should accompany the subscription. The full year's interest on the certificates surrendered will be paid to the subscriber following acceptance of the certificates. In the case of the called bonds in coupon form, payment of accrued interest on the new certificates from June 1, 1949 to June 15, 1949 (\$0.47945 per \$1,000) should be made when the subscription is tendered. In the case of called registered bonds, the accrued interest will be deducted from the amount of the check which will be issued in payment of final interest on the bonds surrendered. Final interest due June 15 on bonds surrendered will be paid, in the case of coupon bonds, by payment of June 15, 1949 coupons, which should be detached by holders before presentation of the bonds, and in the case of registered bonds, by checks drawn in accordance with the assignments on the bonds surrendered.

V. ASSIGNMENT OF REGISTERED BONDS

1. Treasury Bonds of 1949-51 in registered form tendered in payment for certificates offered hereunder should be assigned by the registered payees or assignees thereof to "The Secretary of the Treasury for exchange for Treasury Certificates of Indebtedness of Series E-1950 to be delivered to...," in accordance with the general regulations of the Treasury Department governing assignments for transfer or exchange, and thereafter should be presented and surrendered with the subscription to a Federal Reserve Bank or Branch or to the Treasury Department, Division of Loans and Currency, Washington, D. C. The bonds must be delivered at the expense and risk of the holders.

VI. GENERAL PROVISIONS

1. As fiscal agents of the United States, Federal Reserve Banks are authorized and requested to receive subscriptions, to make allotments on the basis and up to the amounts indicated by the Secretary of the Treasury to the Federal Reserve Banks of the respective Districts, to issue allotment notices, to receive payment for certificates allotted, to make delivery of certificates on full-paid subscriptions allotted, and they may issue interim receipts pending delivery of the definitive certificates.

2. The Secretary of the Treasury may at any time, or from time to time, prescribe supplemental or amendatory rules and regulations governing the offering, which will be communicated promptly to the Federal Reserve Banks.

JOHN W. SNYDER, Secretary of the Treasury.

United States of America 1½ percent Treasury Certificates of Indebtedness of Series E-1949, maturing June 1, 1949, must be tendered in payment for this subscription.
