OF NEW YORK**

[ Circular No. 3535 ]  
[ January 31, 1950 ]

**REGULATION T OF THE BOARD OF GOVERNORS OF THE  
FEDERAL RESERVE SYSTEM AS AMENDED TO JULY 20, 1949**

*To all Member Banks in the  
Second Federal Reserve District:*

Enclosed herewith is a printed copy of Regulation T of the Board of Governors of the Federal Reserve System as amended to July 20, 1949, relating to extension and maintenance of credit by brokers, dealers, and members of national securities exchanges. The enclosed copy of Regulation T incorporates the changes in the regulation made by Amendment No. 8, effective May 1, 1949, Amendment No. 9, effective May 16, 1949, and Amendment No. 10, effective July 20, 1949, which are the only amendments since the last printing of the regulation in the form as amended to April 1, 1948. The Supplement to Regulation T, effective March 30, 1949, remains unchanged.

Additional copies of the regulation and supplement will be furnished upon request.

ALLAN SPROUL,  
*President.*

**BOARD OF GOVERNORS  
OF THE  
FEDERAL RESERVE SYSTEM**

**EXTENSION AND MAINTENANCE OF CREDIT  
BY BROKERS, DEALERS, AND MEMBERS OF  
NATIONAL SECURITIES EXCHANGES**

**REGULATION T**

**As Amended to July 20, 1949**

## INQUIRIES REGARDING THIS REGULATION

Any inquiry relating to this regulation should be addressed to a national securities exchange of which the person making the inquiry is a member or the facilities of which are used for his transactions, or, if this be not practicable, the inquiry should be addressed to the Federal Reserve bank of the district in which the inquiry arises. In the event that an official of an exchange desires information as to any such question, he should make inquiry of the Federal Reserve bank of the district in which the exchange is located.

NOTE.—Amendments Nos. 1 through 10 are included in this reprint.

## REGULATION T

As Amended to July 20, 1949

### **EXTENSION AND MAINTENANCE OF CREDIT BY BROKERS, DEALERS, AND MEMBERS OF NATIONAL SECURITIES EXCHANGES**

#### SECTION 1. SCOPE OF REGULATION

This regulation is issued by the Board of Governors of the Federal Reserve System (hereinafter called the "Board") pursuant to the Securities Exchange Act of 1934 (hereinafter called the "Act"), particularly sections 7 and 8(a) thereof, and applies to every member of a national securities exchange and to every broker or dealer who transacts a business in securities through the medium of any such member.

#### SECTION 2. DEFINITIONS

For the purposes of this regulation, unless the context otherwise requires:

(a) The terms "**person**", "**member**", "**broker**", "**dealer**", "**buy**", "**purchase**", "**sale**", "**sell**", "**security**", and "**bank**" have the meanings given them in section 3(a) of the Act, pertinent parts of which are printed in the appendix to this regulation.

(b) The term "**creditor**" means any member of a national securities exchange or any broker or dealer who transacts a business in securities through the medium of any such member.

(c) The term "**customer**" includes any person, or any group of persons acting jointly, (1) to or for whom a creditor is extending or maintaining any credit, or (2) who, in accordance with the ordinary usage of the trade, would be considered a customer of the creditor.

It includes, in case the creditor is a firm, any partner in the firm who would be considered a customer of the firm if he were not a partner, and includes any joint adventure in which a creditor participates and which would be considered a customer of the creditor if the creditor were not a participant.

(d) The term "**registered security**" means any security which (1) is registered on a national securities exchange; or (2) in consequence of its having unlisted trading privileges on a national securities exchange is deemed, under the provisions of section 12(f) of the Act, to be registered on a national securities exchange; or (3) is exempted by the Securities and Exchange Commission from the operation of section 7(c)(2) of the Act only to the extent necessary to render lawful any

direct or indirect extension or maintenance of credit on such security or any direct or indirect arrangement therefor which would not have been unlawful if such security had been a security (other than an exempted security) registered on a national securities exchange.

(e) The term "**exempted security**" has the meaning given it in section 3(a) of the Act except that the term does not include a security which is exempted by the Securities and Exchange Commission from the operation of section 7(c) (2) of the Act only to the extent described in subdivision (3) of section 2(d) of this regulation.

#### SECTION 3. GENERAL ACCOUNTS

(a) **Contents of general account.**—All financial relations between a creditor and a customer, whether recorded in one record or in more than one record, shall be included in and be deemed to be parts of the customer's general account with the creditor, except that the relations which section 4 permits to be included in any special account provided for by that section may be included in the appropriate special account, and all transactions in commodities for or with any customer shall be included in the special commodity account provided for by sections 4(a) and 4(e). During any period when the supplement to this regulation specifies that registered securities (other than exempted securities) shall have no loan value in a general account, any transaction consisting of a purchase of a security other than a purchase of an exempted security or a purchase of a security to reduce or close out a short position shall be effected in the special cash account provided for by section 4(c) or in some other appropriate special account provided for by section 4.

(b) **General rule.**—A creditor shall not effect for or with any customer in a general account any transaction which, in combination with the other transactions effected in the account on the same day, creates an excess of the adjusted debit balance of the account over the maximum loan value of the securities in the account, or increases any such excess, unless in connection therewith the creditor obtains, as promptly as possible and in any event before the expiration of three full business days following the date of such transaction, the deposit into the account of cash or securities in such amount that the cash deposited plus the maximum loan value of the securities deposited equals or exceeds the excess so created or the increase so caused.

A transaction consisting of a withdrawal of cash or registered or exempted securities from a general account shall be permissible only on condition that no cash or securities need to be deposited in the ac-

count in connection with a transaction on a previous day and that, in addition, the transactions (including such withdrawal) on the day of such withdrawal would not create an excess of the adjusted debit balance of the account over the maximum loan value of the securities in the account or increase any such excess.

Rules for computing the maximum loan value of the securities in a general account and the adjusted debit balance of such an account are provided in sections 3(c) and 3(d), and certain modifications of and exceptions to the general rule stated above are provided in the subsequent subsections of this section and in section 6.

(c) **Maximum loan value and current market value.**—The maximum loan value of the securities in a general account is the sum of the maximum loan values of the individual securities in the account, including securities (other than unissued securities) bought for the account but not yet debited thereto, but excluding securities sold for the account whether or not payment has been credited thereto.

Except as otherwise provided in this section 3(c), the maximum loan value of a registered security (other than an exempted security) in a general account shall be such maximum loan value as the Board shall prescribe for general accounts from time to time in the supplement to this regulation, and the maximum loan value of an exempted security shall be as determined by the creditor in good faith. No collateral other than registered securities or exempted securities shall have any loan value in a general account.

A warrant or certificate which evidences only a right to subscribe to or otherwise acquire any security and which expires within ninety days of issuance shall have no loan value in a general account; but, if the account contains, in addition to such warrant or certificate, the security to the holder of which such warrant or certificate has been issued, the current market value of such security (if the security be a registered security) shall, for the purpose of calculating its maximum loan value, be increased by the current market value of such warrant or certificate.

For the *current market value* of a security throughout the day of its purchase or sale, the creditor shall use its total cost or the net proceeds of its sale, as the case may be, and at any other time shall use the closing sale price of the security on the preceding business day as shown by any regularly published reporting or quotation service. In the absence of any such closing sale price, the creditor may use any reasonable estimate of the market value of such security as of the close of business on such preceding business day.

(d) **Adjusted debit balance.**—For the purposes of this regulation, the adjusted debit balance of a general account shall be calculated by taking the sum of the following items:

- (1) the net debit balance, if any, of the account;
- (2) the total cost of any securities (other than unissued securities) bought for the account but not yet debited thereto;
- (3) the current market value of any securities (other than unissued securities) sold short in the account *plus*, for each such security (other than an exempted security), such amount as the Board shall prescribe from time to time in the supplement to this regulation as the margin required for such short sales, except that such amount so prescribed in the supplement need not be included when there are held in the account securities exchangeable or convertible within a reasonable time, without restriction other than the payment of money, into such securities sold short;
- (4) the amount of margin specified by section 3(h) for every net commitment in the account in unissued securities, *plus* all unrealized losses on each commitment in unissued securities and *minus* all unrealized gains (not exceeding the required margin) on each commitment in unissued securities; and
- (5) the amount of any margin customarily required by the creditor in connection with his endorsement or guarantee of any put, call or other option;

and deducting therefrom the sum of the following items:

- (6) the net credit balance, if any, of the account; and
- (7) the net proceeds of sale of any securities (other than unissued securities) sold for the account but for which payment has not yet been credited thereto.

In case the general account is the account of a partner of the creditor or the account of a joint adventure in which the creditor participates, the adjusted debit balance shall be computed according to the foregoing rule and the supplementary rules prescribed in sections 6(a) and 6(b).

(e) **Liquidation in lieu of deposit.**\*—In any case in which the deposit required by section 3(b), or any portion thereof, is not obtained by the creditor within the three-day period specified in that section, securities shall be sold or covering or other liquidating transactions

\* This requirement relates to the action to be taken when a customer fails to make the deposit required by section 3(b), and it is not intended to countenance on the part of customers the practice commonly known as "free-riding" or "three-day riding", to prevent which the principal national securities exchanges have adopted certain rules. See the rules of such exchanges and section 7(e) of this regulation.

shall be effected in the account, prior to the expiration of such three-day period, in such amount that the resulting decrease in the adjusted debit balance of the account exceeds, by an amount at least as great as such required deposit or the undeposited portion thereof, any resulting decrease in the maximum loan value of the securities in the account.

(f) **Extensions of time.**—In exceptional cases, the three-day period specified in section 3(b) may, on application of the creditor, be extended for one or more limited periods commensurate with the circumstances by any regularly constituted committee of a national securities exchange having jurisdiction over the business conduct of its members, of which exchange the creditor is a member or through which his transactions are effected, provided such committee is satisfied that the creditor is acting in good faith in making the application and that the circumstances are in fact exceptional and warrant such action.

(g) **Transactions on given day.**—For the purposes of section 3(b), the question of whether or not an excess of the adjusted debit balance of a general account over the maximum loan value of the securities in the account is created or increased on a given day shall be determined on the basis of all the transactions in the account on that day exclusive of any deposit of cash, deposit of securities, covering transaction or other liquidation that has been effected on the given day, pursuant to the requirements of section 3(b) or 3(e), in connection with a transaction on a previous day.

(h) **Unissued securities.**—The amount to be included in the adjusted debit balance of a general account as the margin required for a net long commitment in unissued securities shall be the current market value of the net amount of unissued securities long *minus* the maximum loan value which such net amount of securities would have if they were issued registered securities held in the account; and the amount to be so included as the margin required for a net short commitment in unissued securities shall be the amount which would be required as margin for the net amount of unissued securities short if such securities were issued securities and were sold short in the account: *Provided*, That no amount need be included as margin for a net short commitment in unissued securities when there are held in the account securities in respect of which the unissued securities are to be issued, nor for any net position in unissued securities that are exempted securities.

Whenever a creditor, pursuant to a purchase of an unissued security for a customer, receives an issued security which is not a registered or exempted security, the creditor shall treat any payment by him for such issued security as a transaction (other than a withdrawal) which

increases the adjusted debit balance of the account by the amount of the payment *minus* the amount required to be included in the adjusted debit balance of the account, at the time of and in connection with the purchase of the unissued security, as the margin required for such purchase.

#### SECTION 4. SPECIAL ACCOUNTS

(a) **General rule.**—Pursuant to this section 4, a creditor may establish for any customer one or more special accounts.

Each such special account shall be recorded separately and shall be confined to the transactions and relations specifically authorized for such account by the appropriate subsection of this section and to transactions and relations incidental to those specifically authorized. An adequate record shall be maintained showing for each such account the full details of all transactions in the account.

A special account established pursuant to this section shall not be used in any way for the purpose of evading or circumventing any of the provisions of this regulation. If a customer has with a creditor both a general account and one or more such special accounts, the creditor shall treat each such special account as if the customer had with the creditor no general account.

The only other conditions to which transactions in such special accounts shall be subject under the provisions of this regulation shall be such conditions as are specified in the appropriate subsection of this section and in sections 2, 6 and 7.

(b) **Special omnibus account.**—In a special omnibus account, a member of a national securities exchange may effect and finance transactions for a broker or dealer from whom the member accepts in good faith a signed statement to the effect that he is subject to the provisions of this regulation (or that he does not extend or maintain credit to or for customers except in accordance therewith as if he were subject thereto) and from whom the member receives (1) written notice, pursuant to a rule of the Securities and Exchange Commission concerning the hypothecation of customers' securities by brokers or dealers (Rule X-8C-1 or Rule X-15C2-1), to the effect that all securities carried in the account will be carried for the account of the customers of the broker or dealer and (2) written notice that any short sales effected in the account will be short sales made in behalf of the customers of the broker or dealer other than his partners.

(c) **Special cash account.**—(1) In a special cash account, a creditor may effect for or with any customer *bona fide* cash transactions in securities in which the creditor may—

(A) purchase any security for, or sell any security to, any customer, provided funds sufficient for the purpose are already held in the account or the purchase or sale is in reliance upon an agreement accepted by the creditor in good faith that the customer will promptly make full cash payment for the security and that the customer does not contemplate selling the security prior to making such payment; or

(B) sell any security for, or purchase any security from, any customer, provided the security is held in the account or the creditor is informed that the customer or his principal owns the security and the purchase or sale is in reliance upon an agreement accepted by the creditor in good faith that the security is to be promptly deposited in the account.

(2) In case a customer purchases a security (other than an exempted security) in the special cash account and does not make full cash payment for the security within 7 days after the date on which the security is so purchased, the creditor shall, except as provided in the succeeding subdivisions of this section 4(c), promptly cancel or otherwise liquidate the transaction or the unsettled portion thereof.

(3) If the security when so purchased is an unissued security, the period applicable to the transaction under subdivision (2) of this section 4(c) shall be 7 days after the date on which the security is made available by the issuer for delivery to purchasers. If the security when so purchased is a "when distributed" security which is to be distributed in accordance with a published plan, the period applicable to the transactions under subdivision (2) of this section 4(c) shall be 7 days after the date on which the security is so distributed.

(4) If any shipment of securities is incidental to the consummation of the transaction, the period applicable to the transaction under subdivision (2) of this section 4(c) shall be deemed to be extended by the number of days required for all such shipments, but not by more than 7 days.

(5) If the creditor, acting in good faith in accordance with subdivision (1) of this section 4(c), purchases a security for a customer, or sells a security to a customer, with the understanding that he is to deliver the security promptly to the customer, and the full cash payment to be made promptly by the customer is to be made against such delivery, the creditor may at his option treat the transaction as one to which the period applicable under subdivision (2) of this section 4(c) is not the 7 days therein specified but 35 days after the date of such purchase or sale.

(6) If an appropriate committee of a national securities exchange or a national securities association is satisfied that the creditor is acting in good faith in making the application, that the application relates to a *bona fide* cash transaction, and that exceptional circumstances warrant such action, such committee, on application of the creditor, may (A) extend any period specified in subdivision (2), (3), (4) or (5) of this section 4(c) for one or more limited periods commensurate with the circumstances, or (B), in case a security purchased by the customer in the special cash account is a registered or exempted security, authorize transfer of the transaction to a general account or special omnibus account and completion of the transaction pursuant to the provisions of this regulation relating to such an account.

(7) The 7-day periods specified in this section 4(c) refer to 7 full business days. The 35-day period and the 90-day period specified herein refer to calendar days, but if the last day of any such period is a Saturday, Sunday, or holiday, such period shall be considered to end on the next full business day. For the purposes of this section 4(c), a creditor may, at his option, disregard any sum due by the customer not exceeding \$100.

(8) Unless funds sufficient for the purpose are already in the account, no security other than an exempted security shall be purchased for, or sold to, any customer in a special cash account with the creditor if any security other than an exempted security has been purchased by such customer in such an account during the preceding 90 days, and then, for any reason whatever, without having been previously paid for in full by the customer, the security has been sold in the account or delivered out to any broker or dealer: *Provided*, that an appropriate committee of a national securities exchange or a national securities association, on application of the creditor, may authorize the creditor to disregard for the purposes of this section 4(c) (8) any given instance of the type therein described if the committee is satisfied that both creditor and customer are acting in good faith and that circumstances warrant such authorization. For the purposes of this section 4(c) (8), the cancellation of a transaction, otherwise than to correct an error, shall be deemed to constitute a sale. The creditor may disregard for the purposes of this section 4(c) (8) a sale without prior payment provided full cash payment is received within the period described by subdivision (2) of this section 4(c) and the customer has not withdrawn the proceeds of sale on or before the day on which such payment (and also final payment of any check received in that connection) is received. The creditor may so disregard a delivery of a

security to another broker or dealer provided such delivery was for deposit into a special cash account which the latter broker or dealer maintains for the same customer and in which account there are already sufficient funds to pay for the security so purchased; and for the purpose of determining in that connection the status of a customer's account at another broker or dealer, a creditor may rely upon a written statement which he accepts in good faith from such other broker or dealer.

(d) **Special arbitrage account.**—In a special arbitrage account, a member of a national securities exchange may effect and finance for any customer *bona fide* arbitrage transactions in securities. For the purposes of this subsection, the term "arbitrage" means (1) a purchase or sale of a security in one market together with an offsetting sale or purchase of the same security in a different market at as nearly the same time as practicable, for the purpose of taking advantage of a difference in prices in the two markets, or (2) a purchase of a security which is, without restriction other than the payment of money, exchangeable or convertible within a reasonable time into a second security together with an offsetting sale at or about the same time of such second security, for the purpose of taking advantage of a disparity in the prices of the two securities.

(e) **Special commodity account.**—In a special commodity account, a creditor may effect and carry for any customer transactions in commodities.

(f) **Special miscellaneous account.**—In a special miscellaneous account, a creditor may—

(1) with the approval of any regularly constituted committee of a national securities exchange having jurisdiction over the business conduct of its members, make and maintain loans to meet the emergency needs of any creditor;

(2) make loans, and may maintain loans, to or for any partner of a firm which is a member of a national securities exchange to enable such partner to make a contribution of capital to such firm provided (A) the lender as well as the borrower is a partner in such firm, or (B) the lender as well as the borrower is a member of such exchange, the loan has the approval of an appropriate committee of the exchange, and the committee, in addition to being satisfied that the loan is not in contravention of any rule of the exchange, is satisfied that the loan is outside the ordinary course of the lender's business, and that, if the borrower's firm

does any dealing in securities for its own account, the loan is not for the purpose of enabling the firm to increase the amount of such dealing;

(3) purchase any security from any customer who is a broker or dealer, or sell any security to any such customer, provided the creditor acting in good faith purchases or sells the security for delivery, against full payment of the purchase price, as promptly as practicable in accordance with the ordinary usage of the trade;

(4) effect and finance, for any member of a national securities exchange who is registered and acts as an odd-lot dealer in securities on the exchange, such member's transactions as an odd-lot dealer in such securities, or effect and finance, for any joint adventure in which the creditor participates, any transactions in any securities of an issue with respect to which all participants, or all participants other than the creditor, are registered and act on a national securities exchange as odd-lot dealers;

(5) effect transactions for and finance any joint adventure or group in which the creditor participates and in which all participants are dealers (whether such participants be acting jointly or severally), or any member thereof or participant therein, for the purpose of facilitating the underwriting or distributing of all or part of an issue of securities (A) not through the medium of a national securities exchange, or (B) the distribution of which has been approved by the appropriate committee of a national securities exchange;

(6) effect for any customer the collection or exchange (other than by sale or purchase) of securities deposited by the customer specifically for such purposes, and (subject to any other applicable provisions of law) receive from or for any customer, and pay out or deliver to or for any customer, any money or securities;

(7) effect and carry for any customer transactions in foreign exchange; and

(8) extend and maintain credit to or for any customer without collateral or on any collateral whatever for any purpose other than purchasing or carrying or trading in securities.

(g) **Specialist's account.**—In a special account designated as a specialist's account, a creditor may effect and finance, for any member of a national securities exchange who is registered and acts as a specialist in securities on the exchange, such member's transactions as a specialist in such securities, or effect and finance, for any joint adven-

ture in which the creditor participates, any transactions in any securities of an issue with respect to which all participants, or all participants other than the creditor, are registered and act on a national securities exchange as specialists. Such specialist's account shall be subject to the same conditions to which it would be subject if it were a general account except that if the specialist's exchange, in addition to the other requirements applicable to specialists, is designated by the Board of Governors of the Federal Reserve System as requiring reports suitable for supplying current information regarding specialists' use of credit pursuant to this section 4(g), the requirements of section 6(b) regarding joint adventures shall not apply to such account and the maximum loan value of a registered security in such account shall be as determined by the creditor in good faith.

(h) **Special subscriptions account.**—In a special subscriptions account a creditor may effect and finance the acquisition of a registered security for a customer through the exercise of a right to acquire such security which is evidenced by a warrant or certificate issued to stockholders and expiring within 90 days of issuance, and such special subscriptions account shall be subject to the same conditions to which it would be subject if it were a general account except that—

(1) each such acquisition shall be treated separately in the account, and prior to initiating the transaction the creditor shall obtain a deposit of cash in the account such that the cash deposited plus the maximum loan value of the securities so acquired equals or exceeds the subscription price, giving effect to a maximum loan value for the securities so acquired of 75 per cent of their current market value as determined by any reasonable method;

(2) the creditor shall not permit any withdrawal of cash or securities from the account so long as there is a debit balance in the account, except that when the debit connected with a given acquisition of securities in the account has become equal to or less than the maximum loan value of such securities as prescribed for general accounts, such securities may be transferred to the general account together with any remaining portion of such debit; and

(3) no security may be acquired in the account at any time when the account contains any security which has been held therein more than nine months without becoming eligible for transfer to the general account.

In order to facilitate the exercise of a right in accordance with the

provisions of this section, a creditor may permit the right to be transferred from a general account to the special subscriptions account without regard to any other requirement of this regulation.

SECTION 5. BORROWINGS BY MEMBERS, BROKERS, AND DEALERS

(a) **General rule.**—It is unlawful for any creditor, directly or indirectly, to borrow in the ordinary course of business as a broker or dealer on any registered security (other than an exempted security) except—

(1) from or through a member bank of the Federal Reserve System; or

(2) from any nonmember bank which shall have filed with the Board an agreement which is still in force and which is in the form prescribed by this regulation; or

(3) to the extent to which, under the provisions of this regulation, loans are permitted between members of a national securities exchange and/or brokers and/or dealers, or loans are permitted to meet emergency needs.

(b) **Agreements of nonmember banks.**—An agreement filed pursuant to section 8(a) of the Act by a bank not a member of the Federal Reserve System shall be substantially in the form contained in Form F. R. T-2 if the bank has its principal place of business in a territory or insular possession of the United States, or if it has an office or agency in the United States and its principal place of business outside the United States. The agreement filed by any other nonmember bank shall be in substantially the form contained in Form F. R. T-1. Any nonmember bank which has executed any such agreement may terminate the agreement if it obtains the written consent of the Board. Blank forms of such agreements, information regarding their filing or termination, and information regarding the names of nonmember banks for which such agreements are in force, may be obtained from any Federal Reserve bank.

(c) **Borrowing from other creditors.**—A creditor may borrow from another creditor in the ordinary course of business as a broker or dealer on any registered security to the extent and subject to the terms upon which the latter may extend credit to him in accordance with the provisions of this regulation, and subject to any other applicable provisions of law.

## SECTION 6. CERTAIN TECHNICAL DETAILS

(a) **Accounts of partners.**—In case a general account is the account of a partner of the creditor, the creditor, in calculating the adjusted debit balance of such account and the maximum loan value of the securities therein, shall disregard the partner's financial relations with the firm as reflected in his capital and ordinary drawing accounts.

(b) **Contribution to joint adventure.**—In case a general account is the account of a joint adventure in which the creditor participates, the adjusted debit balance of the account shall include, in addition to the items specified in section 3(d), any amount by which the creditor's contribution to the joint adventure exceeds the contribution which he would have made if he had contributed merely in proportion to his right to share in the profits of the joint adventure.

(c) **Guaranteed accounts.**—No guarantee of a customer's account shall be given any effect for purposes of this regulation.

(d) **Transfer of accounts.**—In the event of the transfer of a general account from one creditor to another, such account may be treated for the purposes of this regulation as if it had been maintained by the transferee from the date of its origin: *Provided*, That the transferee accepts in good faith the signed statement of the transferor that no cash or securities need be deposited in the account in connection with any transaction that has been effected in the account or, in case he finds that it is not practicable to obtain such a statement from the transferor, accepts in good faith such a signed statement from the customer.

In the event of the transfer of a general account from one customer to another, such account may be treated by the creditor for the purposes of this regulation as if it had been maintained for the transferee from the date of its origin.

(e) **Reorganizations.**—A creditor may, without regard to the other provisions of this regulation, effect for a customer the exchange of any registered or exempted security in a general account for the purpose of participating in a reorganization or recapitalization in which the security is involved: *Provided*, That if an unregistered nonexempted security is acquired in exchange, the creditor shall not, for a period of sixty days following such acquisition, permit the withdrawal of such security or the proceeds of its sale from the customer's account except to the extent that such security or proceeds could be withdrawn if the security were a registered security.

(f) **Time of receipt of funds or securities.**—For the purposes of this regulation, a creditor may, at his option (1) treat the receipt in

good faith of any check or draft drawn on a bank which in the ordinary course of business is payable on presentation, or any order on a savings bank with passbook attached which is so payable, as receipt of payment of the amount of such check, draft or order; (2) treat the shipment of securities in good faith with sight draft attached as receipt of payment of the amount of such sight draft; and (3) in the case of the receipt in good faith of written or telegraphic notice in connection with a special omnibus account of a customer not located in the same city that a specified security or a check or draft has been dispatched to the creditor, treat the receipt of such notice as receipt of such security, check or draft: *Provided, however,* That if the creditor receives notice that such check, draft, order, or sight draft described in clause (1), (2) or (3) is not paid on the day of presentation, or if such security, check or draft described in clause (3) is not received by the creditor within a reasonable time, the creditor shall promptly take such action as he would have been required to take by the appropriate provisions of this regulation if the provisions of this subsection had not been utilized.

(g) **Interest, service charges, etc.**—Interest on credit maintained in a general account, communication charges with respect to transactions in the account, shipping charges, premiums on securities borrowed in connection with short sales or to effect delivery, dividends or other distributions due on borrowed securities, and any service charges (other than commissions) which the creditor may impose, may be debited to the account in accordance with the usual practice and without regard to the other provisions of this regulation, but such items so debited shall be taken into consideration in calculating the net credit or net debit balance of the account.

A creditor may, without regard to the other provisions of this regulation, pay to or for a customer from a general account interest or cash dividends collected by the creditor for such account, if such payment is made within 35 days after the day on which, in accordance with the creditor's usual practice, such interest or dividends are credited to the account, and if the crediting thereof has not served in the meantime to permit in the account any purchase of securities or other transactions which could not otherwise have been effected in accordance with this regulation.

(h) **Borrowing and lending securities.**—Without regard to the other provisions of this regulation, a creditor (1) may make a *bona fide* deposit of cash in order to borrow securities (whether registered or unregistered) for the purpose of making delivery of such securities in the case of short sales, failure to receive securities he is required to

deliver, or other similar cases, and (2) may lend securities for such purpose against such a deposit.

(i) **Credit for clearance of securities.**—The extension or maintenance of any credit which is maintained for only a fraction of a day (that is, for only part of the time between the beginning of business and midnight on the same day) shall be disregarded for the purposes of this regulation, if it is incidental to the clearance of transactions in securities directly between members or through an agency organized or employed by the members of a national securities exchange for the purpose of effecting such clearance.

(j) **Foreign currency.**—If foreign currency is capable of being converted without restriction into United States currency, a creditor acting in good faith may treat any such foreign currency in an account as a credit to the account in an amount determined in accordance with customary practice.

(k) **Innocent mistakes.**—If any failure to comply with this regulation results from a mistake made in good faith in executing a transaction, recording, determining, or calculating any loan, balance, market price or loan value, or other similar matter, the creditor shall not be deemed guilty of a violation of this regulation if promptly after the discovery of the mistake he takes whatever action may be practicable in the circumstances to remedy the mistake.

#### SECTION 7. MISCELLANEOUS PROVISIONS

(a) **Arranging for loans by others.**—A creditor may arrange for the extension or maintenance of credit to or for any customer of such creditor by any person upon the same terms and conditions as those upon which the creditor, under the provisions of this regulation, may himself extend or maintain such credit to such customer, but only upon such terms and conditions, except that this limitation shall not apply with respect to the arranging by a creditor for a bank subject to Regulation U to extend or maintain credit on registered securities or exempted securities.

(b) **Maintenance of credit.**—Except as otherwise specifically forbidden by this regulation, any credit initially extended without violation of this regulation may be maintained regardless of (1) reductions in the customer's equity resulting from changes in market prices, (2) the fact that any security in an account ceases to be registered or exempted, and (3) any change in the maximum loan values or margin requirements prescribed by the Board under this regulation. In main-

taining any such credit, the creditor may accept or retain for his own protection additional collateral of any description, including unregistered securities.

(c) **Declaration as to purpose of loan.**—Every extension of credit on a registered security (other than an exempted security) shall be deemed to be for the purpose of purchasing or carrying or trading in securities, unless the customer shall file with the creditor a written declaration signed by the customer which shall state the use to be made of such credit and which shall state specifically that such credit is neither for the purpose of purchasing or carrying or trading in securities nor for the purpose of evading or circumventing the provisions of this regulation. In connection with any extension of credit, a creditor may rely upon such a written declaration unless he knows the statement to be false or has information which would put a prudent man upon inquiry and if investigated with reasonable diligence would lead to the discovery of the falsity of the statement.

(d) **Reports.**—Every creditor shall make such reports as the Board may require to enable the Board to perform the functions conferred upon it by the Act.

(e) **Additional requirements by exchanges and creditors.**—Nothing in this regulation shall (1) prevent any exchange from adopting and enforcing any rule or regulation further restricting the time or manner in which its members must obtain initial or additional margin in customers' accounts because of transactions effected in such accounts, or requiring such members to secure or maintain higher margins, or further restricting the amount of credit which may be extended or maintained by them, or (2) modify or restrict the right of any creditor to require additional security for the maintenance of any credit, to refuse to extend credit, or to sell any securities or property held as collateral for any loan or credit extended by him.

## APPENDIX

There are printed below certain provisions of the Securities Exchange Act of 1934 (U.S.C., Title 15, sec. 78) which are pertinent to the subject matter of this regulation:

Sec. 3. (a) \* \* \*

(3) The term "member" when used with respect to an exchange means any person who is permitted either to effect transactions on the exchange without the services of another person acting as broker, or to make use of the facilities of an exchange for transactions thereon without payment of a commission or fee or with the payment of a commission or fee which is less than that charged the general public, and includes any firm transacting a business as broker or dealer of which a member is a partner, and any partner of any such firm.

(4) The term "broker" means any person engaged in the business of effecting transactions in securities for the account of others, but does not include a bank.

(5) The term "dealer" means any person engaged in the business of buying and selling securities for his own account, through a broker or otherwise, but does not include a bank, or any person insofar as he buys or sells securities for his own account, either individually or in some fiduciary capacity, but not as a part of a regular business.

(6) The term "bank" means (A) a banking institution organized under the laws of the United States, (B) a member bank of the Federal Reserve System, (C) any other banking institution, whether incorporated or not, doing business under the laws of any State or of the United States, a substantial portion of the business of which consists of receiving deposits or exercising fiduciary powers similar to those permitted to national banks under section 11(k) of the Federal Reserve Act, as amended, and which is supervised and examined by State or Federal authority having supervision over banks, and which is not operated for the purpose of evading the provisions of this title, and (D) a receiver, conservator, or other liquidating agent of any institution or firm included in clauses (A), (B), or (C) of this paragraph.

\* \* \* \* \*

(9) The term "person" means an individual, a corporation, a partnership, an association, a joint-stock company, a business trust, or an unincorporated organization.

(10) The term "security" means any note, stock, treasury stock, bond, debenture, certificate of interest or participation in any profit-sharing agreement or in any oil, gas, or other mineral royalty or lease, any collateral-trust certificate, preorganization certificate or subscription, transferable share, investment contract, voting-trust certificate, certificate of deposit, for a security, or in general, any instrument commonly known as a "security"; or any

certificate of interest or participation in, temporary or interim certificate for, receipt for, or warrant or right to subscribe to or purchase, any of the foregoing; but shall not include currency or any note, draft, bill of exchange, or banker's acceptance which has a maturity at the time of issuance of not exceeding nine months, exclusive of days of grace, or any renewal thereof the maturity of which is likewise limited.

\* \* \* \* \*

(12) The term "exempted security" or "exempted securities" shall include securities which are direct obligations of or obligations guaranteed as to principal or interest by the United States; such securities issued or guaranteed by corporations in which the United States has a direct or indirect interest as shall be designated for exemption by the Secretary of the Treasury as necessary or appropriate in the public interest or for the protection of investors; securities which are direct obligations of or obligations guaranteed as to principal or interest by a State or any political subdivision thereof or any agency or instrumentality of a State or any political subdivision thereof or any municipal corporate instrumentality of one or more States; and such other securities (which may include, among others, unregistered securities, the market in which is predominantly intrastate) as the Commission may, by such rules and regulations as it deems necessary or appropriate in the public interest or for the protection of investors, either unconditionally or upon specified terms and conditions or for stated periods, exempt from the operation of any one or more provisions of this title which by their terms do not apply to an "exempted security" or to "exempted securities."

(13) The terms "buy" and "purchase" each include any contract to buy, purchase, or otherwise acquire.

(14) The terms "sale" and "sell" each include any contract to sell or otherwise dispose of.

\* \* \* \* \*

Sec. 3. (b) The Commission and the Board of Governors of the Federal Reserve System, as to matters within their respective jurisdictions, shall have power by rules and regulations to define technical, trade, and accounting terms used in this title insofar as such definitions are not inconsistent with the provisions of this title.

\* \* \* \* \*

Sec. 6. (a) Any exchange may be registered with the Commission as a national securities exchange under the terms and conditions hereinafter provided in this section, by filing a registration statement in such form as the Commission may prescribe, containing the agreements, setting forth the information, and accompanied by the documents, below specified:

(1) An agreement (which shall not be construed as a waiver of any constitutional right or any right to contest the validity of any rule or regulation) to comply, and to enforce so far as is within its

powers compliance by its members, with the provisions of this title, and any amendment thereto and any rule or regulation made or to be made thereunder; \* \* \*

(b) No registration shall be granted or remain in force unless the rules of the exchange include provision for the expulsion, suspension, or disciplining of a member for conduct or proceeding inconsistent with just and equitable principles of trade, and declare that the willful violation of any provisions of this title or any rule or regulation thereunder shall be considered conduct or proceeding inconsistent with just and equitable principles of trade.

(c) Nothing in this title shall be construed to prevent any exchange from adopting and enforcing any rule not inconsistent with this title and the rules and regulations thereunder and the applicable laws of the State in which it is located.

#### MARGIN REQUIREMENTS

Sec. 7. (a) For the purpose of preventing the excessive use of credit for the purchase or carrying of securities, the Board of Governors of the Federal Reserve System shall, prior to the effective date of this section and from time to time thereafter, prescribe rules and regulations with respect to the amount of credit that may be initially extended and subsequently maintained on any security (other than an exempted security) registered on a national securities exchange. For the initial extension of credit, such rules and regulations shall be based upon the following standard: An amount not greater than whichever is the higher of—

- (1) 55 per centum of the current market price of the security, or
- (2) 100 per centum of the lowest market price of the security during the preceding thirty-six calendar months, but not more than 75 per centum of the current market price.

Such rules and regulations may make appropriate provision with respect to the carrying of undermargined accounts for limited periods and under specified conditions; the withdrawal of funds or securities; the substitution or additional purchases of securities; the transfer of accounts from one lender to another; special or different margin requirements for delayed deliveries, short sales, arbitrage transactions, and securities to which paragraph (2) of this subsection does not apply; the bases and the methods to be used in calculating loans, and margins and market prices; and similar administrative adjustments and details. For the purposes of paragraph (2) of this subsection, until July 1, 1936, the lowest price at which a security has sold on or after July 1, 1933, shall be considered as the lowest price at which such security has sold during the preceding thirty-six calendar months.

(b) Notwithstanding the provisions of subsection (a) of this

section, the Board of Governors of the Federal Reserve System, may, from time to time, with respect to all or specified securities or transactions, or classes of securities, or classes of transactions, by such rules and regulations (1) prescribe such lower margin requirements for the initial extension or maintenance of credit as it deems necessary or appropriate for the accommodation of commerce and industry, having due regard to the general credit situation of the country, and (2) prescribe such higher margin requirements for the initial extension or maintenance of credit as it may deem necessary or appropriate to prevent the excessive use of credit to finance transactions in securities.

(c) It shall be unlawful for any member of a national securities exchange or any broker or dealer who transacts a business in securities through the medium of any such member, directly or indirectly to extend or maintain credit or arrange for the extension or maintenance of credit to or for any customer—

(1) On any security (other than an exempted security) registered on a national securities exchange, in contravention of the rules and regulations which the Board of Governors of the Federal Reserve System shall prescribe under subsections (a) and (b) of this section.

(2) Without collateral or on any collateral other than exempted securities and/or securities registered upon a national securities exchange, except in accordance with such rules and regulations as the Board of Governors of the Federal Reserve System may prescribe (A) to permit under specified conditions and for a limited period any such member, broker, or dealer to maintain a credit initially extended in conformity with the rules and regulations of the Board of Governors of the Federal Reserve System, and (B) to permit the extension or maintenance of credit in cases where the extension or maintenance of credit is not for the purpose of purchasing or carrying securities or of evading or circumventing the provisions of paragraph (1) of this subsection.

(d) It shall be unlawful for any person not subject to subsection (c) to extend or maintain credit or to arrange for the extension or maintenance of credit for the purpose of purchasing or carrying any security registered on a national securities exchange, in contravention of such rules and regulations as the Board of Governors of the Federal Reserve System shall prescribe to prevent the excessive use of credit for the purchasing or carrying of or trading in securities in circumvention of the other provisions of this section. Such rules and regulations may impose upon all loans made for the purpose of purchasing or carrying securities registered on national securities exchanges limitations similar to those imposed upon members, brokers, or dealers by subsection (c) of this section and the rules and regulations thereunder. This subsection and the rules and regulations thereunder shall not apply (A) to a loan made by a person not in the ordinary course of his business, (B) to a loan on an exempted security, (C) to a

loan to a dealer to aid in the financing of the distribution of securities to customers not through the medium of a national securities exchange, (D) to a loan by a bank on a security other than an equity security, or (E) to such other loans as the Board of Governors of the Federal Reserve System shall, by such rules and regulations as it may deem necessary or appropriate in the public interest or for the protection of investors, exempt, either unconditionally or upon specified terms and conditions or for stated periods, from the operation of this subsection and the rules and regulations thereunder.

\* \* \* \* \*

Sec. 8. It shall be unlawful for any member of a national securities exchange, or any broker or dealer who transacts a business in securities through the medium of any such member, directly or indirectly—

(a) To borrow in the ordinary course of business as a broker or dealer on any security (other than an exempted security) registered on a national securities exchange except (1) from or through a member bank of the Federal Reserve System, (2) from any nonmember bank which shall have filed with the Board of Governors of the Federal Reserve System an agreement, which is still in force and which is in the form prescribed by the Board, undertaking to comply with all provisions of this Act, the Federal Reserve Act, as amended, and the Banking Act of 1933, which are applicable to member banks and which relate to the use of credit to finance transactions in securities, and with such rules and regulations as may be prescribed pursuant to such provisions of law or for the purpose of preventing evasions thereof, or (3) in accordance with such rules and regulations as the Board of Governors of the Federal Reserve System may prescribe to permit loans between such members and/or brokers and/or dealers, or to permit loans to meet emergency needs. Any such agreement filed with the Board of Governors of the Federal Reserve System shall be subject to termination at any time by order of the Board, after appropriate notice and opportunity for hearing, because of any failure by such bank to comply with the provisions thereof or with such provisions of law or rules or regulations; and, for any willful violation of such agreement, such bank shall be subject to the penalties provided for violations of rules and regulations prescribed under this title. The provisions of sections 21 and 25 of this title shall apply in the case of any such proceeding or order of the Board of Governors of the Federal Reserve System in the same manner as such provisions apply in the case of proceedings and orders of the Commission.

(b) To permit in the ordinary course of business as a broker his aggregate indebtedness to all other persons, including customers' credit balances (but excluding indebtedness secured by

exempted securities), to exceed such percentage of the net capital (exclusive of fixed assets and value of exchange membership) employed in the business, but not exceeding in any case 2,000 per centum, as the Commission may by rules and regulations prescribe as necessary or appropriate in the public interest or for the protection of investors.

(c) In contravention of such rules and regulations as the Commission shall prescribe for the protection of investors to hypothecate or arrange for the hypothecation of any securities carried for the account of any customer under circumstances (1) that will permit the commingling of his securities without his written consent with the securities of any other customer, (2) that will permit such securities to be commingled with the securities of any person other than a bona fide customer, or (3) that will permit such securities to be hypothecated, or subjected to any lien or claim of the pledgee, for a sum in excess of the aggregate indebtedness of such customers in respect of such securities.

(d) To lend or arrange for the lending of any securities carried for the account of any customer without the written consent of such customer.

\* \* \* \* \*

Sec. 11. (d) It shall be unlawful for a member of a national securities exchange who is both a dealer and a broker, or for any person who both as a broker and a dealer transacts a business in securities through the medium of a member or otherwise, to effect through the use of any facility of a national securities exchange or of the mails or of any means or instrumentality of interstate commerce, or otherwise in the case of a member, (1) any transaction in connection with which, directly or indirectly, he extends or maintains or arranges for the extension or maintenance of credit to or for a customer on any security (other than an exempted security) which was a part of a new issue in the distribution of which he participated as a member of a selling syndicate or group within six months prior to such transaction: *Provided*, That credit shall not be deemed extended by reason of a bona fide delayed delivery of any such security against full payment of the entire purchase price thereof upon such delivery within thirty-five days after such purchase, \* \* \*

\* \* \* \* \*

Sec. 17. (b) Any broker, dealer, or other person extending credit who is subject to the rules and regulations prescribed by the Board of Governors of the Federal Reserve System pursuant to this title shall make such reports to the Board as it may require as necessary or appropriate to enable it to perform the functions conferred upon it by this title. If any such broker, dealer, or other person shall fail to make any such report or fail to furnish full information therein, or, if in the judgment of the Board it is otherwise necessary, such broker, dealer, or other person shall

permit such inspections to be made by the Board with respect to the business operations of such broker, dealer, or other person as the Board may deem necessary to enable it to obtain the required information.

\* \* \* \* \*

Sec. 23. (a) The Commission and the Board of Governors of the Federal Reserve System shall each have power to make such rules and regulations as may be necessary for the execution of the functions vested in them by this title, and may for such purpose classify issuers, securities, exchanges, and other persons or matters within their respective jurisdictions. No provision of this title imposing any liability shall apply to any act done or omitted in good faith in conformity with any rule or regulation of the Commission or the Board of Governors of the Federal Reserve System, notwithstanding that such rule or regulation may, after such act or omission, be amended or rescinded or be determined by judicial or other authority to be invalid for any reason.

\* \* \* \* \*

Sec. 29. (a) Any condition, stipulation, or provision binding any person to waive compliance with any provision of this title or of any rule or regulation thereunder, or of any rule of an exchange required thereby shall be void.

(b) Every contract made in violation of any provision of this title or of any rule or regulation thereunder, and every contract (including any contract for listing a security on an exchange) heretofore or hereafter made the performance of which involves the violation of, or the continuance of any relationship or practice in violation of, any provision of this title or any rule or regulation thereunder, shall be void (1) as regards the rights of any person who, in violation of any such provision, rule, or regulation, shall have made or engaged in the performance of any such contract, and (2) as regards the rights of any person who, not being a party to such contract, shall have acquired any right thereunder with actual knowledge of the facts by reason of which the making or performance of such contract was in violation of any such provision, rule or regulation: \* \* \*

(c) Nothing in this title shall be construed (1) to affect the validity of any loan or extension of credit (or any extension or renewal thereof) made or of any lien created prior or subsequent to the enactment of this title, unless at the time of the making of such loan or extension of credit (or extension or renewal thereof) or the creating of such lien, the person making such loan or extension of credit (or extension or renewal thereof) or acquiring such lien shall have actual knowledge of facts by reason of which the making of such loan or extension of credit (or extension or renewal thereof) or the acquisition of such lien is a violation of the provisions of this title or any rule or regulation thereunder, or (2) to afford a defense to the collection of any debt or obligation

or the enforcement of any lien by any person who shall have acquired such debt, obligation, or lien in good faith for value and without actual knowledge of the violation of any provision of this title or any rule or regulation thereunder affecting the legality of such debt, obligation, or lien.

Sec. 30. (a) It shall be unlawful for any broker or dealer, directly or indirectly, to make use of the mails or of any means or instrumentality of interstate commerce for the purpose of effecting on an exchange not within or subject to the jurisdiction of the United States, any transaction in any security the issuer of which is a resident of, or is organized under the laws of, or has its principal place of business in, a place within or subject to the jurisdiction of the United States, in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors or to prevent the evasion of this title.

(b) The provisions of this title or of any rule or regulation thereunder shall not apply to any person insofar as he transacts a business in securities without the jurisdiction of the United States, unless he transacts such business in contravention of such rules and regulations as the Commission may prescribe as necessary or appropriate to prevent the evasion of this title.

\* \* \* \* \*

Sec. 32. (a) Any person who willfully violates any provision of this title, or any rule or regulation thereunder the violation of which is made unlawful or the observance of which is required under the terms of this title, or any person who willfully and knowingly makes, or causes to be made, any statement in any application, report, or document required to be filed under this title or any rule or regulation thereunder or any undertaking contained in a registration statement as provided in subsection (d) of section 15 of this title, which statement was false or misleading with respect to any material fact, shall upon conviction be fined not more than \$10,000, or imprisoned not more than two years, or both, except that when such person is an exchange, a fine not exceeding \$500,000 may be imposed; but no person shall be subject to imprisonment under this section for the violation of any rule or regulation if he proves that he had no knowledge of such rule or regulation.

FEDERAL RESERVE BANK  
OF NEW YORK

January 31, 1950.

*To Banks and Trust Companies in the  
Second Federal Reserve District:*

This is the third edition of the directory of this Bank, superseding the directory sent you in May 1948. While the substance of the earlier directories has been retained in the present edition, we feel that we have increased the utility of the directory to you by (1) producing it in smaller, more compact, form; (2) grouping the operations of each department of interest to you under the various divisions of the departments, which are listed with the names of their chiefs; and (3) adding an index. We plan to issue further editions of the directory from time to time, as appropriate. Changes in the titles of our officers, which occur between issues, will be described in our circulars showing changes in authorized signatures.

This directory should be of assistance to you in communicating with the officers of this Bank and the departments and divisions under their supervision; its regular use will enable you to obtain speedier and more effective service from us. We suggest that you keep it convenient for that purpose.

Additional copies of this directory may be obtained upon request.

ALLAN SPROUL,  
*President.*
