

FEDERAL RESERVE BANK  
OF NEW YORK

[ Circular No. 4020 ]  
[ September 24, 1953 ]

## Nomination and Election of Directors

*To Member Banks in the Second Federal Reserve District:*

An election will be held under the provisions of section 4 of the Federal Reserve Act, as amended, to choose successors to the following directors of this Bank whose terms will expire December 31, 1953: class A director, BURR P. CLEVELAND, President, First National Bank of Cortland, Cortland, N. Y., and class B director, LANSING P. SHIELD, President, The Grand Union Company, East Paterson, N. J.

*Both directors were elected by member banks in Group 2 and their successors will be chosen by this group. The member banks in Groups 1 and 3 will not participate in this election.*

The classification of member banks for the purpose of nomination and election of class A and B directors of the Federal Reserve Bank of New York is as follows:

Group 1 consists of banks having capital and surplus of \$10,000,000 or over;

Group 2, of banks with capital and surplus over \$400,000 but less than \$10,000,000 (listed on pages 3 - 8); and

Group 3, of banks having capital and surplus of \$400,000 and less.

Except in the case of two or more banks affiliated with the same holding company affiliate,\* each bank in Group 2 is permitted to nominate a candidate for class A director and a candidate

---

\*Section 4 of the Federal Reserve Act, as amended, reads in part as follows:

“ . . . That whenever any two or more member banks within the same Federal reserve district are affiliated with the same holding company affiliate, participation by such member banks in any such nomination or election shall be confined to one of such banks, which may be designated for the purpose by such holding company affiliate.”

Accordingly, banks in Group 2 affected by the foregoing provision of the law are requested to take prompt action to have the appropriate holding company affiliate designate, if it has not already designated, one of its affiliated banks to participate in this nomination and election.

for class B director.\*\* The nominations should be made by resolution of the boards of directors of the nominating banks and certified copies of such resolutions should be sent to me so as to reach me on or before October 26, 1953. The enclosed printed forms show the appropriate forms of resolution and *one copy of each form* should be used in sending certified copies of the resolutions to me.

On October 28, 1953, copies of the list of candidates (indicating by whom nominated) and preferential ballots will be mailed so that, in the normal course of the mails, they will be received by all banks in Group 2 on October 29, 1953. The law provides that the ballot shall be cast within 15 days after receipt of this list. The polls will open on October 29, 1953, and will close at 12 o'clock noon on Friday, November 13, 1953. Upon the closing of the polls the ballot box will be opened in the board room of this Bank, the votes counted and checked by tellers, and results of the election announced. The candidates will be invited to be present or represented on that occasion.

In order to be counted as valid, the ballot must be executed by an officer authorized to cast the vote and must be received by me at or before the time thus fixed for the closing of the polls (i.e., at or before 12 o'clock noon on Friday, November 13, 1953). The list on the following pages shows the officers heretofore designated for this purpose by the respective banks in Group 2.

*Because banks in Groups 1 and 3 will not participate in this election, this circular is sent to them without forms for their information only.*

JAY E. CRANE,  
*Chairman of the Board.*

---

**\*\*Section 4 of the Federal Reserve Act, as amended, reads in part as follows:**

“Class A shall consist of three members, who shall be chosen by and be representative of the stock-holding banks. . . . No officer or director of a member bank shall be eligible to serve as a class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director.

“Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director.”

“Class B shall consist of three members, who at the time of their election shall be actively engaged in their district in commerce, agriculture or some other industrial pursuit. . . . No director of class B shall be an officer, director, or employee of any bank.”

“No Senator or Representative in Congress shall be a member of the Board of Governors of the Federal Reserve System or an officer or a director of a Federal reserve bank.”

In a resolution adopted December 23, 1915, the Board of Governors of the Federal Reserve System expressed the opinion “that persons holding political or public office in the service of the United States, or of any State, territory, county, district, political subdivision, or municipality thereof, or acting as members of political party committees, cannot consistently with the spirit and underlying principles of the Federal Reserve Act, serve as directors or officers of Federal Reserve Banks.” On December 28, 1915, the Board of Governors of the Federal Reserve System resolved that “national bank examiners shall not hereafter be elected \* \* \* to directorships in Federal Reserve Banks.” Under date of July 2, 1925, the Board of Governors of the Federal Reserve System advised it had “reached the conclusion that a person whose sole occupation is that of officer of an insurance company is not eligible for election as a class B director of a Federal Reserve Bank,” and on October 18, 1939, the Board advised “that a person whose sole occupation is that of president of a Federal savings and loan association and who has been serving as a class A director is not now eligible for election and service as a class B director.”
