CASH OFFERING

1½ Percent Treasury Certificates of Indebtedness of Series D-1959

Dated August 6, 1958

Due March 24, 1959

Tax Anticipation Series

To All Banking Institutions, and Others Concerned, in the Second Federal Reserve District:

The following statement was made public today:

The Treasury Department announced today that on Tuesday, July 29, it will offer for cash subscription \$3½ billion of 1½ percent tax anticipation certificates of indebtedness, to be dated August 6, 1958, maturing March 24, 1959, and receivable at par plus accrued interest to maturity in payment of income and profits taxes due on March 15, 1959. The books will be open only for one day on July 29.

Subscriptions from commercial banks, which for this purpose are defined as banks accepting demand deposits, for their own account, will be received without deposit. A payment of 2 percent of the amount of certificates subscribed for must be made on all other subscriptions. The new certificates may be paid for by credit in Treasury Tax and Loan Accounts.

Commercial banks and other lenders are requested to refrain from making unsecured loans, or loans collateralized in whole or in part by the certificates subscribed for, to cover the 2 percent deposits required to be paid when subscriptions are entered.

Any subscription addressed to a Federal Reserve Bank or Branch, or to the Treasurer of the United States, and placed in the mail before midnight, July 29, will be considered as timely.

The terms of this offering are set forth in Treasury Department Circular No. 1013, dated July 29, 1958, a copy of which is printed on the reverse side of this circular.

Subscriptions will be received by this Bank as fiscal agent of the United States. Subscriptions should be made on official subscription forms, copies of which are enclosed, and should be mailed immediately or, if filed by telegram or letter, confirmed immediately by mail on the forms provided.

Subscription books will be open for one day only, Tuesday, July 29, 1958; we therefore suggest you file your subscription without delay. Any subscription addressed to a Federal Reserve Bank or Branch or to the Treasurer of the United States and placed in the mail before midnight, July 29, will be considered timely.

TREASURY DEPARTMENT,

1958 Department Circular No. 1013

OFFICE OF THE SECRETARY,

Fiscal Service Bureau of the Public Debt Washington, July 29, 1958.

Due March 24, 1959

I. OFFERING OF CERTIFICATES

1. The Secretary of the Treasury, pursuant to the authority of the Second Liberty Bond Act, as amended, invites subscriptions from the people of the United States for Tax Anticipation Certificates of Indebtedness of the United States, designated 1½ percent Treasury Certificates of Indebtedness of Series D-1959. The amount of the offering is \$3,500,000,000, or thereabouts. The books will be open only on July 29, for the receipt of subscriptions.

II. DESCRIPTION OF CERTIFICATES

- 1. The certificates will be dated August 6, 1958, and will bear interest from that date at the rate of 1½ percent per annum, payable on a semiannual basis on March 24, 1959. They will mature March 24, 1959. They will not be subject to call for redemption prior to maturity.
- 2. The income derived from the certificates is subject to all taxes imposed under the Internal Revenue Code of 1954. The certificates are subject to estate, inheritance, gift or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority.
- 3. The certificates will be acceptable to secure deposits of public moneys. They will be accepted at par plus accrued interest to maturity in payment of income and profits taxes due on March 15, 1959.
- 4. Bearer certificates with one interest coupon attached will be issued in denominations of \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. The certificates will not be issued in registered form.
- 5. The certificates will be subject to the general regulations of the Treasury Department, now or hereafter prescribed, governing United States certificates.

III. SUBSCRIPTION AND ALLOTMENT

1. Subscriptions will be received at the Federal Reserve Banks and Branches and at the Office of the Treasurer of the United States, Washington. Commercial banks, which for this purpose are defined as banks accepting demand deposits, may submit subscriptions for account of customers, but only the Federal Reserve Banks and the Treasury Department are authorized to act as official agencies. Others than commercial banks will not be permitted to enter subscriptions except for their own account. Subscriptions from commercial banks for their own

account will be received without deposit. Subscriptions from all others must be accompanied by payment of 2 percent of the amount of certificates applied for, not subject to withdrawal until after allotment. Following allotment, any portion of the 2 percent payment in excess of 2 percent of the amount of certificates allotted may be released upon the request of the subscribers.

- 2. Commercial banks in submitting subscriptions will be required to certify that they have no beneficial interest in any of the subscriptions they enter for the account of their customers, and that their customers have no beneficial interest in the banks' subscriptions for their own account.
- 3. The Secretary of the Treasury reserves the right to reject or reduce any subscription, and to allot less than the amount of certificates applied for; and any action he may take in these respects shall be final. Allotment notices will be sent out promptly upon allotment.

IV. PAYMENT

1. Payment at par and accrued interest, if any, for certificates allotted hereunder must be made or completed on or before August 6, 1958, or on later allotment. In every case where payment is not so completed, the payment with application up to 2 percent of the amount of certificates allotted shall, upon declaration made by the Secretary of the Treasury in his discretion, be forfeited to the United States. Any qualified depositary will be permitted to make payment by credit for certificates allotted to it for itself and its customers up to any amount for which it shall be qualified in excess of existing deposits when so notified by the Federal Reserve Bank of its District.

V. GENERAL PROVISIONS

- 1. As fiscal agents of the United States, Federal Reserve Banks are authorized and requested to receive subscriptions, to make allotments on the basis and up to the amounts indicated by the Secretary of the Treasury to the Federal Reserve Banks of the respective Districts, to issue allotment notices, to receive payment for certificates allotted, to make delivery of certificates on full-paid subscriptions allotted, and they may issue interim receipts pending delivery of the definitive certificates.
- 2. The Secretary of the Treasury may at any time, or from time to time, prescribe supplemental or amendatory rules and regulations governing the offering, which will be communicated promptly to the Federal Reserve Banks.

ROBERT B. ANDERSON.

Secretary of the Treasury.
