FEDERAL RESERVE BANK OF NEW YORK

February 27, 1967

To All Banks in the

Second Federal Reserve District:

The first part of this Directory is a telephone directory, listing operational matters on which we receive frequent telephone inquiries, the departments in which they are handled, and telephone extensions to which such inquiries can be directed.

The second part, beginning on page 21, is an organizational directory, showing the functional organization of the Bank and its departments and divisions, together with the names of the officers, division chiefs, and certain senior staff members of the Bank. New appointments of officers and changes in their titles are announced currently in supplements to, or revisions of, our Operating Circular No. 1, "Authorized Signatures."

The use of this Directory should aid you in directing your communications to the appropriate persons and units in this Bank. We will be pleased to furnish additional copies upon request.

ALFRED HAYES,
President.

General information for banks

1. For some operations, more than one extension is indicated. If the first extension line is busy, request an alternate extension line. For any inquiry on an operation not listed in this directory, call our Bank Relations unit (Head Office: 212-732-5700, Extension 672 or 377; Buffalo Branch: 716-854-7562, Extension 208).

2. On page 4 and the inside of the back cover are listed Head Office departmental abbreviations. These abbreviations are used in the telephone directory to indicate departments in which the listed operations are conducted.

3. When, in your judgment, a sizable adjustment appears to be necessary to correct an entry on your statement of account, or a large item is missent from this Bank, including its Buffalo Branch, a collect call can be made concerning the matter.

4. In accordance with this Bank's Operating Circulars, requests for currency or coin (No. 3, paragraph 8) or the delivery of securities from or for safekeeping (No. 14, paragraph 11) should ordinarily not be made by telephone; if, in an emergency, such a request is made by telephone, prompt written confirmation will be necessary. When an emergency telephone call is made to order cash or savings bond stock, or to complete a transaction such as a wire transfer, a collection, or the delivery of securities from or for safekeeping, please be prepared to furnish the required test word.

5. Requests for supplies, including forms, furnished by us should also ordinarily not be made by telephone. To avoid emergency requests for supplies, reorder when your inventory has declined to about a three-week supply.
