Following is the text of an invitation authorized by the Tennessee Valley Authority to be issued today to certain commercial banks, trust companies, and dealers in investment securities:

Tennessee Valley Authority ("TVA") hereby invites bids for the purchase to the aggregate amount of \$100,000,000 of its Power Notes ("Notes") dated May 29, 1969, due September 25, 1969. The Notes will be issued on a discount basis and at maturity their face amount will be payable without interest at the Head Office of the Federal Reserve Bank of New York. They will be issued in bearer form in denominations of \$5,000, \$10,000, \$100,000, and \$1,000,000 (maturity value). Denominational exchanges may be effected at the Head Office of the Federal Reserve Bank of New York.

announcement will be made by TVA of the amount and price range of accepted bids. Those submitting successful bids will be informed by the Federal Reserve Bank of New York of the acceptance thereof. TVA expressly reserves the right to accept or reject any or all bids, in whole or in part, and the action of TVA in any such respect shall be final.

Settlement for accepted bids must be made at the Federal Reserve Bank of New York on May 29, 1969 in cash or other immediately available funds.

Bids will be received at the Securities Department of the Head Office of the Federal Reserve Bank of New York up to the closing hour, 1:30 p.m., Eastern Daylight Saving time, Tuesday, May 27, 1969. No bids will be accepted for a face amount of Notes less than \$1,000,000. Bids must be for an even multiple of \$5,000 and the price offered must be expressed on the basis of 100, with not more than three decimals, e.g., 99.925. Fractions may not be used. It is urged that bids be made on the printed forms and forwarded in the special envelopes which will be supplied by the Federal Reserve Bank of New York upon application therefor.

The Notes will be issued to assist in providing capital for the power program of TVA. They will be negotiable. They will be payable solely from TVA's Net Power Proceeds (but may, at the option of TVA, be paid from the proceeds of refunding obligations or other funds legally available for such payment). Net Power Proceeds are defined in, and required to be applied according to, the Basic Tennessee Valley Authority Power Bond Resolution ("Basic Resolution"). The Notes will not be obligations of, nor will payment thereof be guaranteed by, the United States of America.

Invitations for bids are being issued to certain commercial banks, trust companies, and dealers in investment securities. Other commercial banks, trust companies, or recognized dealers in investment securities desiring to bid may do so on bid forms obtained from the Federal Reserve Bank of New York. Bids submitted hereunder must be for the principal account of the bidder and not for the account of others.

Income derived from the Notes will be subject to Federal income taxation; but in the opinion of the General Counsel for TVA, under present laws and decisions, the Notes will be exempt from personal property taxes and the income therefrom will be exempt from income taxes, now or hereafter imposed, by any State or local taxing authority.

Immediately after the closing hour, bids will be opened at the Federal Reserve Bank of New York, following which public

Circulars describing Tennessee Valley Authority and Power Notes issued by it, as well as copies of the Basic Resolution and periodic financial reports, may be obtained upon request directed to TVA's Director of Information, Knoxville, Tennessee, or to the Federal Reserve Bank of New York.

This Bank will receive bids in accordance with the foregoing invitation up to 1:30 p.m., Eastern Daylight Saving time, Tuesday, May 27, 1969, at the Securities Department of its Head Office. Please use the form on the reverse side of this notice to submit bids and return them sealed in the enclosed envelope marked "Bid for TVA Power Notes."
