

FEDERAL RESERVE BANK
OF NEW YORK

Fiscal Agent of the United States

[Circular No. 6771]
July 30, 1971

Auction of \$2½ Billion of 18-Month 6½ Percent Treasury Notes

*To All Banking Institutions, and Others Concerned,
in the Second Federal Reserve District:*

The Treasury announced today that it will auction \$2.5 billion of 18-month 6½ percent notes on Thursday, August 5. The details of this offering, as announced by the Treasury, are printed below.

DETAILS OF TREASURY ANNOUNCEMENT OF AUCTION OF \$2½ BILLION OF NEW NOTES

The \$2½ billion, or thereabouts, of 18-month 6½% Treasury Notes of Series C-1973 to be sold at auction under competitive and noncompetitive bidding will be issued on August 16, 1971, and mature February 15, 1973.

The notes will be issued in registered and bearer form in denominations of \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000.

Tenders for the notes will be received up to 1:30 p.m., Eastern Daylight Saving time, Thursday, August 5, 1971, at any Federal Reserve Bank or Branch and at the Office of the Treasurer of the United States, Washington, D. C. 20220. Tenders received after the closing hour will not be accepted.

Each tender must be in the amount of \$1,000 or a multiple thereof, and must state the price offered, if it is a competitive tender, or the term "noncompetitive," if it is a noncompetitive tender. The price on competitive tenders must be expressed on the basis of 100, with two decimals, e.g., 100.00. Tenders at a price less than 99.76 will not be accepted. Fractions may not be used. The notation "TENDER FOR TREASURY NOTES" should be printed at the bottom of the envelope in which the tender is submitted.

Public announcement will be made of the amount and price range of accepted tenders. Those submitting tenders will be advised of the acceptance or rejection thereof. The Secretary of the Treasury expressly reserves the right to accept or reject any or all tenders, in whole or in part, and his action in any such respect shall be final. Subject to these reservations noncompetitive tenders for \$200,000 or less will be accepted in full at the average price (in two decimals) of accepted competitive tenders. This price may be 100.00, or more or less than 100.00.

Commercial banks, which for this purpose are defined as banks accepting demand deposits, may submit tenders for account of customers provided the names of the customers are set forth in such tenders. Others than commercial banks will not be permitted to submit tenders except for their own account.

Tenders will be received without deposit from banking institutions for their own account, Federally insured savings and loan associations, States, political subdivisions or instrumentalities thereof, public pension and retirement and other public funds, international organizations in which the United States holds membership, foreign central banks and foreign States, dealers who make primary markets in Government securities and report daily to the Federal Reserve Bank of New York their positions with respect to Government securities and borrowings thereon, and Government accounts. Tenders from others must be accompanied by payment of 5 percent of the face amount of notes applied for.

Payment for accepted tenders must be completed on or before Monday, August 16, 1971, at the Federal Reserve Bank or Branch or at the Office of the Treasurer of the United States in cash, 4% Bonds of 1971 or 8¼% Notes of Series F-1971 (which will be accepted at par), or other funds immediately available to the Treasury by that date. Any qualified depository will be permitted to make settlement by credit in its Treasury tax and loan account for not more than 50% of the amount of notes allotted to it for itself and its customers. Where full payment is not completed in funds available by the payment date, the allotment will be canceled and the deposit with the tender up to 5 percent of the amount of notes allotted will be subject to forfeiture to the United States.

Nonbank investors should understand that their checks will constitute payment only if they are fully and finally collected by the payment date, Monday, August 16, 1971. Checks not so collected will subject the investor's deposit to forfeiture as set forth in the preceding paragraph. A check payable other than at a Federal Reserve Bank received on the payment date will not constitute immediately available funds on that date. Accordingly, in order that a check will constitute immediately available funds to the Treasury by the payment date, it should be submitted sufficiently in advance to assure completion of its collection by Monday, August 16, 1971. Checks should be drawn to the order of the office to which the tender

is submitted. If a check for the full amount of the payment is submitted with the subscription, it should be, in the case of tenders at a competitive price, equal to the total purchase price of the notes bid for, or, in the case of noncompetitive tenders, equal to the full face amount of the notes bid for. Bidders on a non-competitive basis who submit checks for the face amount of the notes bid for will be (1) required to pay an additional amount if the purchase price is more than 100, or (2) paid the difference if the purchase price is less than 100.

Commercial banks are prohibited from making un-

secured loans, or loans collateralized in whole or in part by the notes bid for, to cover the deposits required to be paid when tenders are entered, and they will be required to make the usual certification to that effect. Other lenders are requested to refrain from making such loans.

All bidders are required to agree not to purchase or to sell, or to make any agreements with respect to the purchase or sale or other disposition of the notes bid for under this offering at a specific rate or price, until after 1:30 p.m., Eastern Daylight Saving time, Thursday, August 5, 1971.

The terms of this offering are set forth in Treasury Department Circular No. 8-71, Public Debt Series, a copy of which is printed on the following pages. This Bank will receive tenders up to 1:30 p.m., Eastern Daylight Saving time, Thursday, August 5, 1971, at the Securities Department of its Head Office and at its Buffalo Branch. Please use the enclosed tender forms to submit tenders, and return them in the enclosed envelope marked "Tender for Treasury Notes." Tenders not requiring a deposit may be submitted by telegraph, subject to written confirmation; no tenders may be submitted by telephone. Settlement for accepted tenders may be made in cash, $8\frac{1}{4}$ percent Treasury Notes of Series F-1971, 4 percent Treasury Bonds of 1971, or other immediately available funds, except that any qualified depository may make settlement by credit in its Treasury Tax and Loan Account for not more than 50 percent of the amount of notes allotted to it for itself and its customers.

ALFRED HAYES,
President.

IMPORTANT — Closing time for receipt of this tender is 1:30 p.m., Thursday, August 5, 1971.

They will mature February 15, 1973, and will not be subject to call for redemption prior to maturity.

2. The income derived from the notes is subject to all taxes imposed under the Internal Revenue Code of 1954. III. TENDERS AND ALLOTMENTS

C. 20220, up to the closing hour, 1:30 p.m., Eastern Daylight Saving time, Thursday, August 5, 1971. Each tender must state the face amount of notes bid for, which must be \$1,000 or a multiple thereof, and the price offered, except that in the case of noncompetitive tenders the term "noncompetitive" should be used in lieu of a price. In the case of competitive tenders, the price must be expressed on the basis of 100, with two decimals, e.g., 100.00. Tenders at a price less than 99.76 will not be accepted. Fractions may not be used. Non-competitive tenders from any one bidder may not exceed \$200,000. It is urged that tenders be made on the printed forms and forwarded in the special envelopes marked "Tender for Treasury Notes", which will be supplied by Federal Reserve Banks on application therefor.

3. Immediately after the closing hour tenders will be opened, following which public announcement will be made by the Department of the Treasury of the amount and price range of accepted bids. Those submitting tenders will be advised of the acceptance or rejection thereof. In considering the acceptance of tenders, those at the highest prices will be accepted to the extent required to attain the amount offered.

Tenders at the lowest accepted price will be prorated if necessary. The Secretary of the Treasury expressly reserves the right to accept or reject any or all tenders, in whole or in part, and his action in any such respect shall be final. Subject to these reservations, noncompetitive tenders for \$200,000 or less without stated price from any one bidder will be accepted in full at the average price* (in two decimals) of accepted competitive tenders.

4. All bidders are required to agree not to purchase or to sell, or to make any agreements with respect to the purchase or sale or other disposition of any notes of this issue at a specific rate or price, until after 1:30 p.m., Eastern Daylight Saving time, Thursday, August 5, 1971.

In every case where full payment is not completed, the payment with the tender up to 5 percent of the amount of notes allotted shall, upon declaration made by the Secretary of the Treasury in his discretion, be forfeited to the United States. Any qualified depository will be permitted to make settlement by credit in its Treasury Tax and Loan Account for not more than 50 percent of the amount of notes allotted to it for itself and its customers. When payment is made with eligible securities a cash adjustment will

be made to or required of the bidder for any difference between the face amount of securities submitted and the amount payable on the notes allotted.

V. ASSIGNMENT OF REGISTERED SECURITIES

1. Registered securities tendered as deposits and in payment for notes allotted hereunder should be assigned by the registered payees or assignees thereof, in accordance with the general regulations of the Department of the Treasury, in one of the forms hereafter set forth.
