

FEDERAL RESERVE BANK
OF NEW YORK

Circular No. 6906
February 29, 1972

PROPOSED AMENDMENTS TO REGULATIONS G, T, AND U

To All Persons Extending Securities Credit
in the Second Federal Reserve District:

Following is the text of a statement issued February 23 by the Board of Governors of the Federal Reserve System:

The Board of Governors of the Federal Reserve System proposed today the criteria that over-the-counter (OTC) stocks must continue to meet in order to remain on its List of OTC Margin Stocks.

The criteria employed in selecting OTC stocks for inclusion on the List of OTC Margin Stocks were announced on July 9, 1969. The 440 stocks now on the list are subject to the Board's margin regulations.

Adoption of the proposal would mean that OTC margin stocks failing substantially to meet the criteria would be removed from the list and would no longer be subject to margin regulations. The proposed delisting criteria are less restrictive than the initial listing criteria.

Interested persons are asked to submit their comments on the proposed criteria in writing by March 24, 1972.

Printed below is an excerpt from the Federal Register of February 26, containing the text of proposed amendments to margin Regulations G, T, and U; the proposed amendments set forth the criteria for continued inclusion of over-the-counter stocks on the Board of Governors' List of OTC Margin Stocks. Comments thereon should be submitted by March 24 and may be sent to our Regulations and Bank Analysis Department.

Alfred Hayes,
President.
