FOREIGN ASSETS CONTROL REGULATIONS
MADE APPLICABLE TO CAMBODIA

*To All Banks, and Others Concerned,
in the Second Federal Reserve District:*

The Treasury Department has requested us to advise you that Cambodia has been added to the schedule of blocked countries in section 500.201 of the Foreign Assets Control Regulations, effective April 17, 1975. Thus, all sections of the regulations applicable to "designated foreign countries" apply to Cambodia as well as to the People's Republic of China, North Korea, and North Viet Nam.

Section 500.204(a)(1) has been amended to apply to goods of Cambodian origin, and technical amendments are being made in other sections of the regulations and in the statement of organization of the Office of Foreign Assets Control to reflect the addition of Cambodia. Also, the transaction control regulations have been amended so that the designation of Cambodia corresponds exactly to the designation used in section 500.201 of the Foreign Assets Control Regulations.

Copies of the amended regulations are being printed. If you should desire copies, please address your requests to our Foreign Department.

ALFRED HAYES,
President.
