

**FEDERAL RESERVE BANK
OF NEW YORK**

[Circular No. 7862]
April 28, 1976]

PRELIMINARY ORGANIZATION DIRECTORY OF THIS BANK

*To All Banks, and Others Concerned,
in the Second Federal Reserve District:*

A new edition of this Bank's telephone and organization directory is being prepared for publication later this year. It will (a) list operational matters on which we receive frequent telephone inquiries and the telephone numbers to which such inquiries can be directed, and (b) show the functional organization of the Bank and its departments and divisions, together with the names and telephone numbers of the officers, division chiefs, and certain senior staff members of the Bank.

It is anticipated that the new directory will be issued in loose-leaf form and that, thereafter, changes will be reflected in supplementary pages.

Printed on the following pages is a listing of the assignments and telephone numbers of the Bank's officers and division chiefs. Pending the publication of the new directory, this listing should assist you in your contacts with the Bank.

PAUL A. VOLCKER,
President.
