

FEDERAL RESERVE BANK
OF NEW YORK

At. Cir. No. 7950

September 9, 1976

*To All Banking Institutions in the
Second Federal Reserve District:*

At the close of business September 7, Long Island National Bank, Hicksville, New York, converted into a State bank, known as Long Island Bank.

Effective September 8, the successor bank was admitted to membership in the Federal Reserve System.

PAUL A. VOLCKER,
President.
