\$20 COUNTERFEIT FEDERAL RESERVE NOTES

To All Banks in the Second  
Federal Reserve District:

The United States Secret Service has asked us to inform you that counterfeit \$20 Federal Reserve notes are currently in circulation in the New York metropolitan area. Your tellers and customers should be warned to be on the alert for these counterfeits.

The Secret Service has supplied the following description of this \$20 counterfeit:

<u>Denomination</u>	<u>Federal Reserve Bank</u>	<u>Series</u>	<u>Check Letter</u>	<u>Face Plate No.</u>	<u>Back Plate No.</u>
\$20	New York	1974	D	58	199

The serial numbers on all notes vary, and there is no attempt made to simulate the red and blue fibers found in genuine currency.

All counterfeit currency received from any source should be marked for identification and forwarded promptly, together with any information concerning the source of such notes, to the nearest office of the U. S. Secret Service, rather than to Washington, D. C. In this District, the Secret Service has offices in the U. S. Customhouse in Room 623, 6 World Trade Center, New York, N. Y. 10048; at 300 Hamilton Avenue, Room 301, White Plains, New York 10601; in the Main Post Office Building, Syracuse, N. Y. 13201; in the Federal Building, Room 1208, 111 West Huron Street, Buffalo, N. Y. 14202, at 353 Federal Building, Albany, New York 12207; and at 60 Evergreen Place, East Orange, N. J. 07018. For additional information, call the U. S. Secret Service at any time (Telephone No. 212-466-4400).

Additional copies of this letter will be furnished upon request.
