

FEDERAL RESERVE BANK
OF NEW YORK

[Circular No. 8466]
December 4, 1978]

Election of Directors

(By member banks classified in Group 3 on November 6, 1978, that is, member banks with capital and surplus of less than \$5,000,000 on that date)

To the Member Banks of the Second Federal Reserve District:

In accordance with the provisions of section 4 of the Federal Reserve Act, as amended, and Circular No. 8448, dated November 6, 1978, on the nomination of directors of this Bank for terms of office from January 1, 1979 to December 31, 1981, to succeed JAMES WHELDEN, class A director, and JOHN R. MULHEARN, class B director, whose terms expire December 31, 1978, there are shown on pages 2 through 4 the names of the candidates nominated for such offices, and by whom nominated.

To each member bank classified in Group 3 on November 6, 1978, except those member banks that are subsidiaries of multibank holding companies and have not been designated to participate in this election,* the following are being sent with this circular:

- (a) Ballot for use in voting for candidates for class A director and class B director.
- (b) Pink ballot envelope in which the ballot is to be sealed.
- (c) Certificate envelope bearing on its face the certificate in regard to the vote.
- (d) Addressed envelope in which all of the foregoing should be returned to me.

The ballot and the certificate on the certificate envelope must be executed by an officer who has been authorized to cast the vote. A list of the officers designated for this purpose by the member banks in Group 3 was contained in the above-mentioned circular dated November 6, 1978, and a similar list revised to date is contained herein. In order that the ballot may be secret, the name of the bank and the name and title of the voting officer should not be written on the ballot, but should be written only on the certificate envelope.

- (1) The ballot should be marked.
- (2) The marked ballot should be placed in the pink ballot envelope and that envelope sealed.
- (3) Then the sealed pink ballot envelope should be placed within the certificate envelope, and the certificate envelope should be sealed and the certificate thereon executed.
- (4) Then the certificate envelope containing the sealed pink ballot envelope should be returned to me in the enclosed addressed envelope.

The law provides that the ballot shall be cast within 15 days after receipt of the list of candidates transmitted herewith. The polls will open at 10 a.m., December 5, 1978, and will close at 12 noon on Wednesday, December 20, 1978, and in order to be counted as valid the ballot must be received by me at or before the latter time. Upon the closing of the polls the ballot box will be opened in the board room of this Bank, the sealed envelopes containing the ballots will be opened, the votes counted and checked by tellers, and the results of the election announced. The candidates may, if they so desire, be present or represented on this occasion.

Because banks in Groups 1 and 2 will not vote in this election, this circular is sent to them without forms and for their information only.

ROBERT H. KNIGHT,
Chairman of the Board.

* As indicated in Circular No. 8448, dated November 6, 1978, section 4 of the Federal Reserve Act, as amended, provides that whenever any member banks within the same Federal Reserve District are subsidiaries of the same bank holding company within the meaning of the Bank Holding Company Act of 1956, participation in the nomination or election of directors of Federal Reserve Banks by such member banks, including such bank holding company if it is also a member bank, shall be confined to one of such banks, which may be designated for the purpose by such holding company. Consequently, the ballot of any Group 3 bank that is a subsidiary of a multibank holding company cannot be counted as valid unless there is on file with me evidence that such bank has been so designated.
