

FEDERAL RESERVE BANK OF NEW YORK
Fiscal Agent of the United States

[Circular No. 8546]
March 28, 1979

OFFERING OF TWO SERIES OF TREASURY BILLS

**\$3,000,000,000 of 91-Day Bills, Additional Amount, Series Dated January 4, 1979, Due July 5, 1979
(To Be Issued April 5, 1979)**

\$3,000,000,000 of 182-Day Bills, Dated April 5, 1979, Due October 4, 1979

*To All Incorporated Banks and Trust Companies, and Others
Concerned, in the Second Federal Reserve District:*

Following is the text of a notice issued by the Treasury Department:

The Department of the Treasury, by this public notice, invites tenders for two series of Treasury bills totaling approximately \$6,000 million, to be issued April 5, 1979. This offering will result in a pay-down for the Treasury of about \$200 million as the maturing bills are outstanding in the amount of \$6,214 million. The two series offered are as follows:

91-day bills (to maturity date) for approximately \$3,000 million, representing an additional amount of bills dated January 4, 1979, and to mature July 5, 1979 (CUSIP No. 912793 2A3), originally issued in the amount of \$2,910 million, the additional and original bills to be freely interchangeable.

182-day bills for approximately \$3,000 million to be dated April 5, 1979, and to mature October 4, 1979 (CUSIP No. 912793 2P0).

Without assurance, before the auction date of April 2, of Congressional action on legislation to raise the temporary debt ceiling, the Treasury will postpone this auction.

Both series of bills will be issued for cash and in exchange for Treasury bills maturing April 5, 1979. Federal Reserve Banks, for themselves and as agents of foreign and international monetary authorities, presently hold \$3,321 million of the maturing bills. These accounts may exchange bills they hold for the bills now being offered at the weighted average prices of accepted competitive tenders.

The bills will be issued on a discount basis under competitive and noncompetitive bidding, and at maturity their par amount will be payable without interest. Both series of bills will be issued entirely in book-entry form in a minimum amount of \$10,000 and in any higher \$5,000 multiple, on the records either of the Federal Reserve Banks and Branches, or of the Department of the Treasury.

Tenders will be received at Federal Reserve Banks and Branches and at the Bureau of the Public Debt, Washington, D.C. 20226, up to 1:30 p.m., Eastern Standard time, Monday, April 2, 1979. Form PD 4632-2 (for 26-week series) or Form PD 4632-3 (for 13-week series) should be used to submit tenders for bills to be maintained on the book-entry records of the Department of the Treasury.

Each tender must be for a minimum of \$10,000. Tenders over \$10,000 must be in multiples of \$5,000. In the case of competitive tenders the price offered must be expressed on the basis of 100, with not more than three decimals, e.g., 99.925. Fractions may not be used.

Banking institutions and dealers who make primary markets in Government securities and report daily to the Federal Reserve Bank of New York their positions in and borrowings on such securities may submit tenders for account of customers, if the names of the customers and the amount for each customer are

This Bank will receive tenders for both series up to 1:30 p.m., Eastern Standard time, Monday, April 2, 1979, at the Securities Department of its Head Office and at its Buffalo Branch. Tender forms for the respective series are enclosed. Please use the appropriate forms to submit tenders and return them in the enclosed envelope marked "Tender for Treasury Bills." Forms for submitting tenders directly to the Treasury are available from the Treasury and Agency Issues Division of this Bank. Tenders not requiring a deposit may be submitted by telegraph, subject to written confirmation; no tenders may be submitted by telephone. *Payment for Treasury bills cannot be made by credit through the Treasury Tax and Loan Account. Settlement must be made in cash or other immediately available funds or in maturing Treasury bills.*

Results of the last weekly offering of Treasury bills (91-day bills to be issued March 29, 1979, representing an additional amount of bills dated December 28, 1978, maturing June 28, 1979; and 182-day bills dated March 29, 1979, maturing September 27, 1979) are shown on the reverse side of this circular.

furnished. Others are only permitted to submit tenders for their own account.

Payment for the full par amount of the bills applied for must accompany all tenders submitted for bills to be maintained on the book-entry records of the Department of the Treasury. A cash adjustment will be made on all accepted tenders for the difference between the par payment submitted and the actual issue price as determined in the auction.

No deposit need accompany tenders from incorporated banks and trust companies and from responsible and recognized dealers in investment securities for bills to be maintained on the book-entry records of Federal Reserve Banks and Branches. A deposit of 2 percent of the par amount of the bills applied for must accompany tenders for such bills from others, unless an express guaranty of payment by an incorporated bank or trust company accompanies the tenders.

Public announcement will be made by the Department of the Treasury of the amount and price range of accepted bids. Competitive bidders will be advised of the acceptance or rejection of their tenders. The Secretary of the Treasury expressly reserves the right to accept or reject any or all tenders, in whole or in part, and the Secretary's action shall be final. Subject to these reservations, noncompetitive tenders for each issue for \$500,000 or less without stated price from any one bidder will be accepted in full at the weighted average price (in three decimals) of accepted competitive bids for the respective issues.

Settlement for accepted tenders for bills to be maintained on the book-entry records of Federal Reserve Banks and Branches must be made or completed at the Federal Reserve Bank or Branch or at the Bureau of the Public Debt on April 5, 1979, in cash or other immediately available funds or in Treasury bills maturing April 5, 1979. Cash adjustments will be made for differences between the par value of the maturing bills accepted in exchange and the issue price of the new bills.

Under Sections 454(b) and 1221(5) of the Internal Revenue Code of 1954 the amount of discount at which these bills are sold is considered to accrue when the bills are sold, redeemed or otherwise disposed of, and the bills are excluded from consideration as capital assets. Accordingly, the owner of these bills (other than life insurance companies) must include in his or her Federal income tax return, as ordinary gain or loss, the difference between the price paid for the bills, whether on original issue or on subsequent purchase, and the amount actually received either upon sale or redemption at maturity during the taxable year for which the return is made.

Department of the Treasury Circulars, Public Debt Series—Nos. 26-76 and 27-76, and this notice, prescribe the terms of these Treasury bills and govern the conditions of their issue. Copies of the circulars and tender forms may be obtained from any Federal Reserve Bank or Branch, or from the Bureau of the Public Debt.

PAUL A. VOLCKER,
President.

(Name of customer)

INSTRUCTIONS:

- No tender for less than \$1,000 will be considered; and each tender must be for a multiple of \$1,000 (maturity value).
- Only banking institutions, and dealers who make primary markets in Government securities and report daily to this Bank their positions with respect to Government securities and borrowings thereon, may submit tenders for customer account; in doing so, they may consolidate competitive tenders *at the same yield* and may consolidate noncompetitive tenders, provided a list is attached showing the name of each bidder and the amount bid for the bidder's account. Others will not be permitted to submit tenders except for their own accounts.
- Tenders will be received without deposit from commercial and other banks for their own account, Federally-insured savings and loan associations, States, political subdivisions or instrumentalities thereof, public pension and retirement and other public funds, international organizations in which the United States holds membership, foreign central banks and foreign states, dealers who make primary markets in Government securities and report daily to the Federal Reserve Bank of New York their positions with respect to Government securities and borrowings thereon, and Government accounts. Tenders from others must be accompanied by payment of at least 5 percent of the face amount of the securities applied for.
- A personal check, cash, or Treasury securities maturing on or before the issue date of the new securities may be submitted with the tender. Personal checks submitted with the tender, either as a deposit or for the face amount of the securities, do not have to be certified. However, in cases where only a deposit is submitted with the tender, a personal check submitted for the final payment must be certified and received at this Bank on the payment date (which is generally three business days before the issue date) shown in the circular providing the highlights of this offering. All checks must be drawn payable to the Federal Reserve Bank of New York; *checks endorsed to this Bank will not be accepted*. Settlement on the issue date must be in cash or in other immediately available funds.
- A recorded message (at the Head Office—Tel. No. 212-791-5823; at the Buffalo Branch—Tel. No. 716-849-5046) provides information about Treasury offerings; additional inquiries regarding Treasury offerings may be made by calling, at the Head Office, Tel. No. 212-791-6619, or at the Buffalo Branch, Tel. No. 716-849-5016.
- If the language of this tender is changed in any respect that, in the opinion of the Secretary of the Treasury, is material, the tender may be disregarded.

(OVER)

PRIVACY ACT STATEMENT — The individually identifiable information required on this form is necessary to permit the subscription to be processed and the securities to be issued. If registered securities are requested, the regulations governing United States securities (Department Circular No. 300) and the offering circular require submission of social security numbers; the numbers and other information are used in inscribing the securities and establishing and servicing the ownership and interest records. The transaction will not be completed unless all required data is furnished.
