

FEDERAL RESERVE BANK  
OF NEW YORK

[ Circular No. 8919 ]  
September 19, 1980

DISTRIBUTION OF OFFICIAL COMMUNICATIONS  
TO DEPOSITORY INSTITUTIONS AND OTHERS

To the Chief Executive Officers of All Depository Institutions,  
and Others Concerned, in the Second Federal Reserve District:

*Circulars of this Bank*

With the implementation of the Monetary Control Act of 1980, this Bank will be communicating on a regular basis with all depository institutions—member and nonmember commercial banks, U.S. branches and agencies of foreign banks, Edge and Agreement corporations, savings banks, savings and loan associations, and credit unions—in this District. Federal Reserve Bank communications—called “circulars”—are issued to transmit or explain changes in regulations of the Board of Governors of the Federal Reserve System; to announce offerings of securities by the U.S. Treasury Department; to notify depository institutions and others of changes in this Bank’s policies or procedures; or to make important statements on other matters of interest to depository institutions and others.

These circulars will be mailed directly to your institution, at its main office. If, in addition, you wish to have circulars addressed to a particular individual or office at your institution, you should so advise the Circulars Division of this Bank.

*Regulations, interpretations, and operating circulars*

Except for those institutions that have already received their binders, each depository institution that is subject to the reserve requirements of the Monetary Control Act will be provided, upon written request to our Circulars Division, with binders containing the Regulations of the Board of Governors of the Federal Reserve System, the Published Interpretations of the Board of Governors, and the Operating Circulars of this Bank. Tables of contents for those materials are enclosed with this circular.

*Requests for certain printed matter*

Additional binders containing regulations, interpretations, and operating circulars will be available for purchase on request, by mail or in person at our Circulars Division, at the prices set forth below, which are based on our current costs and are subject to change. Unbound sets of regulations and/or operating circulars will be available for purchase at a slightly lower cost, as indicated.

Unbound sets (includes cost of paper, printing, and handling)	\$ 9.00	*	\$ 7.50
Sets with looseleaf binders	\$21.50	\$7.50	\$14.00
Postage and additional handling charges for mailing sets to purchaser—

\*Published Interpretations are not sold without binders.

(OVER)

Copies of specific circulars, regulations, and operating circulars, and certain other published documents, will be supplied to persons or organizations free of charge; however, the Bank reserves the right to impose a charge on requests for large orders.

All requests for materials should be directed, either in writing or in person, to the Circulars Division of this Bank. Where fees are required, requests should be accompanied by checks for the appropriate amounts. As is our usual practice, the names of those who purchase complete sets of the foregoing publications will be placed on a mailing list to receive any revisions of the materials.

*Requests for mailing list changes*

We will also accept requests, in writing or in person, to add names to our mailing lists for circulars, regulations, or other printed matter distributed by the Circulars Division; however, *telephone* requests to make additions to the lists cannot be accepted. Written requests should be directed to the Circulars Division, and should specify the types of published materials desired.

If your name already appears on one of the Bank's mailing lists, and you wish to change or correct your address, you should return the incorrect address label with your requested changes or corrections.

*Effect of this circular on previous circular*

This circular supersedes Circular No. 8358, dated May 29, 1978.

\* \* \* \*

Questions regarding these procedures should be directed to the Circulars Division of this Bank (Tel. No. 212-791-5216 or 5212).

ANTHONY M. SOLOMON,  
*President.*
