FILING OF STATISTICAL REPORTS WITH THIS BANK

Relocation of Research and Statistics Function Staff
Responsible for Data Collection

To All Institutions Filing Reports
with the Federal Reserve Bank of New York:

Effective Monday, March 29, the officers and staff of the Research and Statistics Function responsible for the collection, analysis, and processing of certain reports submitted to this Bank will be relocated from the ninth floor to the fourth floor of our main building at 33 Liberty Street. All reports directed to the Deposit Reports Division, the International Reports Division, or the Market Reports Division of the Statistics Department should now be delivered to the window provided for that purpose near the public elevators on the fourth floor.

Printed on the reverse side are the new telephone numbers at which staff responsible for the reports can be reached.

PETER FOUSEK,
Senior Vice President
and Director of Research
