

**FEDERAL RESERVE BANK  
OF NEW YORK**

*At line No. 9305*  
June 3, 1982

To All Credit Unions in the  
Second Federal Reserve District:

Since the enactment of the Monetary Control Act we have been mailing to you circulars that we believed you would have an interest in as a depository institution subject to certain regulations of the Board of Governors of the Federal Reserve System. These included circulars dealing with various banking services provided by this Bank.

Printed on the reverse side of this notice is a list of various subjects for which we have specific mailing lists for circulars. In order to insure that you receive only those materials of interest to your organization, please indicate which type of circulars you wish to receive. Your completed list can be returned to the Circulars Division in the enclosed postage-paid envelope.

If you wish the name of your credit union to be removed from all of our mailing lists (except Regulation D), you need not return this notice. If we do not hear from you within the next 30 days, you will no longer receive any of this Bank's circulars except those relating to Regulation D, "Reserves of Depository Institutions."

Thank you for your cooperation.
