UNIFORM BANK PERFORMANCE REPORTS

*To All State Member Banks  
in the Second Federal Reserve District:*

The following statement has been issued by the Federal Financial Institutions Examination Council:

The Federal Financial Institutions Examination Council has announced that the March 1982 Uniform Bank Performance Report (UBPR) is ready for distribution and sale to the public. The report is produced quarterly. It is an analytical device designed for commercial bank supervisory examination and management purposes. It allows for either a summary or an in-depth analysis of an institution's financial performance and trends.

Copies of individual bank UBPRs may be obtained for \$25 per report, with quantity discounts available. UBPR User's Guides may be obtained for \$2.50 per copy. December 1981 peer group reports and state average reports are also available. Detailed instructions for ordering UBPRs and ancillary reports are attached.

Commercial banks in the United States supervised by the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation or the Office of the Comptroller of the Currency will automatically receive without charge a copy of their own report if they have consolidated assets of \$300 million or more and filed a March 1982 Report of Income. Federally supervised banks with consolidated total assets of less than \$300 million may obtain, without charge, their own March 1982 report upon request.

On a regular basis, we will send State member banks in this District one copy of their own quarterly UBPR report; additional copies of that report, reports of other banks, or any of the ancillary reports must be obtained from UBPR, P.O. Box 4320, Chicago, Illinois, 60673. For your convenience, an order form, together with instructions for its use, is enclosed with this letter.

Questions regarding these reports may be directed to our Bank Analysis Department (Tel. No. 212-791-6710).

RONALD B. GRAY,  
*Executive Vice President.*
