Correction of 30-Year Bond Announcement

The CUSIP designation for the 30-Year Bonds of 2008, to be issued by the Treasury Department on August 15, 1983, was incorrectly stated in our Circular No. 9532, dated July 28, 1983, regarding the Treasury announcement of the August Quarterly Financing. The correct CUSIP designation for these bonds is CUSIP No. 912810 DF2.
