

FEDERAL RESERVE BANK  
OF NEW YORK

Fiscal Agent of the United States

Circular No. 9565  
October 13, 1983

**TREASURY TO AUCTION \$8,000 MILLION OF 2-YEAR NOTES**

To All Banking Institutions, and Others Concerned,  
in the Second Federal Reserve District:

The following statement was issued by the Treasury Department:

The Department of the Treasury will auction \$8,000 million of 2-year notes to refund \$4,834 million of 2-year notes maturing October 31, 1983, and to raise \$3,200 million new cash. The \$4,834 million of maturing 2-year notes are those held by the public, including \$1,449 million currently held by Federal Reserve Banks as agents for foreign and international monetary authorities.

The \$8,000 million is being offered to the public, and any amounts tendered by Federal Reserve Banks as agents for foreign and international monetary authorities will be added to that amount. Tenders for such accounts will be accepted at the average price of accepted competitive tenders.

In addition to the public holdings, Government accounts and Federal Reserve Banks, for their own accounts, hold \$636 million of the maturing securities that may be refunded by issuing additional amounts of the new notes at the average price of accepted competitive tenders.

Printed on the reverse side is a table summarizing the highlights of the offering. Copies of the official offering circular will be furnished upon request directed to our Government Bond Division (Tel. No. 212-791-6619).

Enclosed is a copy of a standard form for your use in submitting tenders for this offering (or for any subsequent offering of 2-year notes).

This Bank will receive tenders prior to 1:30 p.m., Eastern Daylight Saving time, Wednesday, October 19, 1983, at the Securities Department of its Head Office and at its Buffalo Branch. *All competitive tenders*, whether transmitted by mail or by other means, must reach this Bank or its Branch by that time. However, for investors who wish to submit noncompetitive tenders and who find it more convenient to mail their tenders than to present them in person, the official offering circular provides that *noncompetitive tenders* will be considered timely received if they are mailed to this Bank or its Branch under a postmark *no later than October 18*.

Bidders submitting noncompetitive tenders should realize that it is possible that the average price may be above par, in which case they would have to pay more than the face value for the securities.

Payment with a tender may be in the form of a personal check, which need not be certified, an official bank check, or a Federal funds check (a check drawn by a depository institution on its Federal Reserve account). All checks must be drawn payable to the Federal Reserve Bank of New York; *checks endorsed to this Bank will not be accepted*. Payment may also be made in cash or in Treasury securities maturing on or before the issue date of the securities being purchased.

Recorded messages provide information about Treasury offerings and about auction results: at the Head Office — Tel. No. 212-791-7773 (offerings) and Tel. No. 212-791-5823 (results); at the Buffalo Branch — Tel. No. 716-849-5046. Additional inquiries regarding this offering may be made by calling, at the Head Office, Tel. No. 212-791-6619, or, at the Buffalo Branch, Tel. No. 716-849-5016.

ANTHONY M. SOLOMON,  
*President.*

(Over)
