**TREASURY ANNOUNCES OFFERINGS OF 5-YEAR 2-MONTH DOMESTIC NOTES  
AND 5-YEAR 2-MONTH FOREIGN-TARGETED NOTES**

*To All Banking Institutions, and Others Concerned,  
in the Second Federal Reserve District:*

The following statement was issued by the Treasury Department:

The Department of the Treasury will auction \$6,750 million of 5-year 2-month domestic notes and up to \$1,000 million of 5-year 2-month foreign-targeted notes to raise new cash.

The \$6,750 million of domestic notes are being offered to the public, and amounts tendered by Federal Reserve Banks as agents for foreign and international monetary authorities will be added to that amount at the average price of accepted competitive tenders.

The foreign-targeted notes will be sold only under competitive bidding, and only to foreign institutions, to foreign branches of United States financial institutions, to central banks or monetary authorities of foreign governments, or to certain public international organizations of which the United States is a member. A maximum of \$1,000 million of bids will be accepted, and if less than \$500 million of acceptable bids is received, none will be accepted. A bidder must certify that, as of the date of issuance, the notes are not being acquired for, or for offer to resell to, a United States person. In any event, the issue may not be sold to United States persons for 45 days (until January 13, 1985). United States persons who purchase the notes from January 13, 1985, onwards must meet U.S. tax requirements. In addition, such notes may be exchanged for the companion domestic notes in accordance with the terms of the circular.

Details about both security offerings are given in the attached highlights of the offerings and in the official Offering Circulars. Potential bidders for the foreign-targeted notes should obtain copies of the Offering Circular, which are available at the Federal Reserve Bank of New York, Securities Department, Room 835, or at the Treasury Department, Public Affairs, Room 2315, Washington, D.C.

Printed on the reverse side is a table summarizing the highlights of the offerings.
