

*H-li. No 9808*  
February 28, 1985

To the Addressee:

Our records indicate that you are currently maintaining more than one set of Board regulations and/or this Bank's operating circulars. However, our current mailing and updating procedures call for the assignment of a separate addressee for each set of these materials. Therefore, if your institution wishes to continue receiving the indicated quantities called for on your mailing label, please provide us with the names and addresses of those individuals in your organization to whom you distribute those documents so that we can address the materials directly to them. You will, of course, continue to receive your own updates through your existing mailing label.

In your reply, please enclose the mailing label affixed to the face of this envelope together with the changes you would like us to make in the mailing list. You should direct your reply to the Circulars Division, Federal Reserve Bank of New York, 33 Liberty Street, New York, N.Y. 10045.
