## FEDERAL RESERVE BANK OF NEW YORK

Fiscal Agent of the United States

Circular No. **9841** April 18, 1985

## TREASURY TO AUCTION \$9,000 MILLION OF 2-YEAR NOTES

To All Banking Institutions, and Others Concerned, in the Second Federal Reserve District:

The following statement was issued by the Treasury Department:

The Department of the Treasury will auction \$9,000 million of 2-year notes to refund \$8,225 million of 2-year notes maturing April 30, 1985, and to raise about \$775 million new cash. The \$8,225 million of maturing 2-year notes are those held by the public, including \$360 million currently held by Federal Reserve Banks as agents for foreign and international monetary authorities.

The \$9,000 million is being offered to the public, and any amounts tendered by Federal Reserve Banks as agents for foreign and international monetary authorities will be added to that amount. Tenders for such accounts will be accepted at the average price of accepted competitive tenders.

In addition to the public holdings, Government accounts and Federal Reserve Banks, for their own accounts, hold \$347 million of the maturing securities that may be refunded by issuing additional amounts of the new notes at the average price of accepted competitive tenders.

Printed on the reverse side is a table summarizing the highlights of the offering. Copies of the official offering circular will be furnished upon request directed to our Government Bond Division (Tel. No. 212-791-6619).

Enclosed is a copy of a standard form for your use in submitting tenders for this offering.

This Bank will receive tenders prior to 1:00 p.m., Eastern Standard time, Wednesday, April 24, 1985, at the Securities Department of its Head Office and at its Buffalo Branch. All competitive tenders, whether transmitted by mail or by other means, must reach this Bank or its Branch by that time. However, for investors who wish to submit noncompetitive tenders and who find it more convenient to mail their tenders than to present them in person, the official offering circular provides that noncompetitive tenders will be considered timely received if they are mailed to this Bank or its Branch under a postmark no later than April 23.

Bidders submitting noncompetitive tenders should realize that it is possible that the average price may be above par, in which case they would have to pay more than the face value for the securities.

Payment with a tender may be made in cash, by check, in Treasury securities maturing on or before the issue date of the securities being purchased, by a charge to an institution's reserve account at this Bank, or, in the case of Treasury Tax and Loan Note Option Depositaries, by credit to a Treasury Tax and Loan Note Account. Payment by check must be in the form of an official bank check, a Federal funds check (a check drawn by a depository institution on its Federal Reserve account), or a personal check, which need not be certified. All checks must be drawn payable to the Federal Reserve Bank of New York; checks endorsed to this Bank will not be accepted.

Recorded messages provide information about Treasury offerings and about auction results: at the Head Office — Tel. No. 212-791-7773 (offerings) and Tel. No. 212-791-5823 (results); at the Buffalo Branch — Tel. No. 716-849-5046. Additional inquiries regarding this offering may be made by calling, at the Head Office, Tel. No. 212-791-6619, or, at the Buffalo Branch, Tel. No. 716-849-5016.

E. GERALD CORRIGAN,

President.

(Over)
