BANK HOLDING COMPANY PERFORMANCE REPORTS

*To All Bank Holding Companies
in the Second Federal Reserve District:*

The following statement has been issued by the Board of Governors of the Federal Reserve System:

The Federal Reserve Board has announced that the Bank Holding Company Performance Report (BHCPR) will be available for sale to the public for the first time, starting on Monday, April 29, 1985. The report will also be sent to all bank holding companies that file the Bank Holding Company Financial Supplement (FR Y-9).

The BHCPR is a 16-page report containing balance sheet and income items and financial ratios that allows detailed financial analysis of bank holding companies. It will be in the same format as the Uniform Bank Performance Report that is issued by the Federal Financial Institutions Examination Council.

The BHCPR will be available approximately 120 days after the December and June reporting periods. For the December reporting period, the full report containing consolidated and parent data will be available for approximately 1,020 bank holding companies and a four-page parent-only report for approximately 800 bank holding companies that have consolidated assets between \$50 million and \$100 million. The June BHCPR will be produced for bank holding companies that are required to submit the FR Y-9 semiannually.

Copies of individual bank holding company BHCPRs may be obtained by the public for \$25.00 for the full report and \$10.00 for the parent-only report. BHCPR User's Guides may be obtained for \$6.00 per copy.

On a regular basis, we send bank holding companies in this District one copy of their own semiannual BHCPR report; additional copies of that report or reports of other bank holding companies must be obtained from the Publications Section of the Board of Governors. For your convenience, an order form, together with instructions for its use, is enclosed with this letter.

Questions regarding these reports may be directed to our Bank Analysis Department (Tel. No. 212-791-6710).

ROBERT A. O'SULLIVAN,
Chief Financial Examiner.
