

**FEDERAL RESERVE BANK
OF NEW YORK**

[Circular No. **9852**
May 2, 1985]

*To All Depository Institutions, and Others Concerned,
in the Second Federal Reserve District:*

South Ozone Park Community Federal Credit Union ("SOPCFCU"), ABA No. 2260-8219-0, was placed into liquidation by the National Credit Union Administration on February 12, 1985. Accordingly, we are returning all checks drawn on that institution. Because we believe that checks bearing SOPCFCU's name and/or ABA number may have been issued fraudulently, institutions receiving items bearing SOPCFCU's name and/or ABA number should use extra caution in placing holds, and when such items are received as return items, in recovering credit. If you have any questions, please call John F. Sobala, Assistant Vice President (212-791-5997), or Thomas C. Baxter, Jr., Assistant Counsel (212-791-5035).

E. GERALD CORRIGAN,
President.
