

**FEDERAL RESERVE BANK
OF NEW YORK**
Fiscal Agent of the United States

[Circular No. 9877
June 13, 1985]

TREASURY TO AUCTION \$9,250 MILLION OF 2-YEAR NOTES

*To All Banking Institutions, and Others Concerned,
in the Second Federal Reserve District:*

The following statement was issued by the Treasury Department:

The Department of the Treasury will auction \$9,250 million of 2-year notes to be issued July 1, 1985. This issue will provide about \$1,250 million new cash, as the maturing 2-year notes held by the public amount to \$8,000 million, including \$335 million currently held by Federal Reserve Banks as agents for foreign and international monetary authorities.

In addition to the maturing 2-year notes, there are \$3,116 million of maturing 4-year notes held by the public. The disposition of this latter amount will be announced next week. Federal Reserve Banks as agents for foreign and international monetary authorities currently hold \$1,161 million, and Government accounts and Federal Reserve Banks for their own accounts hold \$1,299 million of the maturing 2-year and 4-year notes.

The \$9,250 million is being offered to the public, and any amounts tendered by Federal Reserve Banks for their own accounts, or as agents for foreign and international monetary authorities, will be added to that amount. Tenders for such accounts will be accepted at the average price of accepted competitive tenders.

Printed on the reverse side is a table summarizing the highlights of the offering. Copies of the official offering circular will be furnished upon request directed to our Government Bond Division (Tel. No. 212-791-6619).

Enclosed is a copy of a standard form for your use in submitting tenders for this offering.

This Bank will receive tenders prior to 1:00 p.m., Eastern Daylight Saving time, Wednesday, June 19, 1985, at the Securities Department of its Head Office and at its Buffalo Branch. *All competitive tenders*, whether transmitted by mail or by other means, must reach this Bank or its Branch by that time. However, for investors who wish to submit noncompetitive tenders and who find it more convenient to mail their tenders than to present them in person, the official offering circular provides that *noncompetitive* tenders will be considered timely received if they are mailed to this Bank or its Branch under a postmark *no later than June 18*.

Bidders submitting noncompetitive tenders should realize that it is possible that the average price may be above par, in which case they would have to pay more than the face value for the securities.

Payment with a tender may be made in cash, by check, in Treasury securities maturing on or before the issue date of the securities being purchased, by a charge to an institution's reserve account at this Bank, or, in the case of Treasury Tax and Loan Note Option Depositories, by credit to a Treasury Tax and Loan Note Account. Payment by check must be in the form of an official bank check, a Federal funds check (a check drawn by a depository institution on its Federal Reserve account), or a personal check, which need not be certified. All checks must be drawn payable to the Federal Reserve Bank of New York; *checks endorsed to this Bank will not be accepted*.

Recorded messages provide information about Treasury offerings and about auction results: at the Head Office — Tel. No. 212-791-7773 (offerings) and Tel.
