*To All Depository Institutions in the Second
Federal Reserve District, and Others Concerned:*

Circulars of this Bank

The Federal Reserve Bank of New York sends communications on a regular basis to all depository institutions in the Second Federal Reserve District, and to certain others on our mailing lists, advising them of changes in the regulations of the Board of Governors of the Federal Reserve System, changes in this Bank's policies, practices, or operating procedures, fees for our priced services, and other matters of interest. These communications — called "circulars" — are mailed directly to the head office of each depository institution in this District, and to others on our mailing lists who have requested such information.

Regulations and Operating Circulars

In addition, the Circulars Division of this Bank can provide you with complete *sets* of this Bank's operating circulars and the regulations of the Board of Governors (including the Official Staff Commentaries on certain of those regulations). If you wish to maintain such sets, with or without looseleaf binders, you may obtain them from the Circulars Division in accordance with the revised price schedule set forth below. When you purchase a set of regulations or operating circulars your name will be added to an appropriate mailing list to receive updates of those materials; there is no charge for this updating service.

The prices set forth below reflect our costs, including postage and shipping charges when applicable, are effective immediately, and may be changed without notice.

With each set of regulations or operating circulars purchased, the Circulars Division encloses a list of currently effective regulations or operating circulars, as appropriate. These lists, which will enable you to determine whether your sets are complete, can be obtained without charge from the Circulars Division at any time. (Copies of the current lists are enclosed with this circular for your information.) Also enclosed — for those who maintain sets of regulations and operating circulars — are revised Contents pages for those documents.

Requests for printed matter and inquiries

Requests for any of the above materials should be directed to the Circulars Division (Room 1120), Federal Reserve Bank of New York, 33 Liberty Street, New York, N.Y. 10045, and should be accompanied by a check or money order made payable to the Federal Reserve Bank of New York. Payment by cash will be accepted only if it is in the exact amount specified in the above schedule; *please do not mail cash*. Inquiries regarding these procedures or requests for additional information concerning prices should be directed to the Circulars Division (Tel. No. 212-720-5215 or 5216).

The Circulars Division will furnish copies of specific circulars, regulations, and operating circulars, without charge, upon request, subject to their availability; we reserve the right, however, to impose a charge for large orders or for searching or copying.

Requests for mailing list changes

Requests to add names to our mailing lists in order to receive circulars, regulations, or other printed matter distributed by the Circulars Division should be made *in writing or in person* at the address indicated above and should specify the types of materials desired; telephone requests to make additions to the list will not be accepted.

If your name already appears on one of the Bank's mailing lists, and you wish to have it deleted or to change or correct your address label, you should return the incorrect label with your request.
