1994 FFIEC Information Systems Examination Handbook

*To All State Member Banks, Bank Holding Companies, Branches
and Agencies of Foreign Banks, and Edge Corporations
in the Second Federal Reserve District, and Others Concerned:*

The 1994 Federal Financial Institutions Examination Council (FFIEC) Information Systems Examination Handbook is now available for purchase. The Handbook is an update of the January 1992 Electronic Data Processing (EDP) Examination Handbook and supersedes all previously published versions.

The Handbook is an interagency guide to assist regulatory staff in examining information systems operations in financial institutions and independent service bureaus. The Handbook contains regulatory policies of FFIEC member agencies and highlights operational controls and examination procedures appropriate for information systems.

Financial institutions may obtain copies of the Handbook by sending a \$25.00 check, payable to the Board of Governors of the Federal Reserve System, as follows:
