Guide to the BIS Statistics on International Banking

To the Addressee:

The Bank for International Settlements (BIS) in Basle, Switzerland, recently issued a revised version of its *Guide to the BIS Statistics on International Banking*. The BIS has requested that the Federal Reserve make copies available to the commercial banks that provide statistics for this publication.

Accordingly, enclosed is a copy of the BIS publication. Questions regarding this matter may be directed to the Bank Analysis Department (Tel. No. 212-720-1418).

CHESTER B. FELDBERG,
Executive Vice President.
