**"Know Your New Money" Flyer; "Your Money Matters" Brochure**

*To the Chief Executive Officers of All Depository  
Institutions in the Second Federal Reserve District:*

The Treasury Department, in conjunction with the Secret Service and the Federal Reserve System, has prepared a flyer entitled "Know Your New Money," to remind cash handlers of the safeguards against counterfeits contained in the new \$100 notes and to assist them in identifying genuine notes. These reminders are especially important during this busy Holiday Season.

For your convenience, we have enclosed one of these 4" x 9-1/4" flyers, which is suitable for duplication in either black and white or in color for your institution to copy and distribute to cash handlers and other staff.

Also available are quantities of the 4-color brochure "Your Money Matters," with illustrations depicting the new currency that are informative for both staff and customers. Information for ordering this brochure is below. Please allow approximately four to six weeks for delivery. When ordering, please include all of the following information on your order:
