WAR FINANCE CORPORATION SERIES “A” 5% GOLD BONDS

Dear Sirs:

We attach herewith the official circular describing the War Finance Corporation, Series “A” 5% Gold Bonds. These bonds are dated April 1, 1919 and are due April 1, 1920, and bear semi-annual interest coupons dated October 1, 1919 and April 1, 1920. They are available in $1,000 denominations only, issued in bearer form.

Tax Exemptions

As set forth in the circular, these bonds are exempt from the so-called normal tax. They are also exempt from all state and local taxes, except estate or inheritance taxes. The income from these bonds is subject to super taxes and excess profits taxes, except that the income from an aggregate principal amount not exceeding $5,000 owned by any individual, partnership or corporation is exempt from such super taxes and excess profits taxes.

Method of Subscription

Subscription books will be opened at the Federal Reserve Bank of New York, Wednesday, April 2, and may be closed at any time. Subscriptions will be received subject to allotment, and payment must be made within the period fixed in the notice of allotment, which will be mailed to the subscriber. Upon payment, the Federal Reserve Bank will issue interim receipts pending delivery of the definitive bonds.

Discount and Rediscount Rights

Subject to the provisions of the Federal Reserve Act and to regulations of the Federal Reserve Board, direct obligations of member banks secured by these bonds may be discounted at the Federal Reserve Bank, and eligible paper secured by the bonds and indorsed by a member bank may be rediscounted. But the Act provides that the rate for this accommodation must be at least 1 per cent higher than the prevailing rate for eligible commercial paper of corresponding maturity.

War Finance Corporation

The War Finance Corporation was created by Act of Congress with an authorized capital stock of $500,000,000, of which $350,000,000 has been subscribed and paid for, and is owned by the United States of America. The Secretary of the Treasury is Chairman of the Corporation, which was created by the Government, to deal with situations arising in connection with the conduct of the war.

Commission to Banks and Dealers

Payment for these bonds must be made by check or other cash transfer and cannot be made by advice of credit, as in the case of Liberty bonds and certificates of indebtedness; however, a commission of $\frac{1}{2}$ of 1 per cent will be paid by the War Finance Corporation to incorporated banks and trust companies and to dealers in securities, on such sales of these bonds as may be confirmed and allotted to them, payable within 60 days.

Subscriptions By Telegraph

As this issue of bonds is for a limited amount and on very attractive terms, it is probable that the subscription books will not be open long, making it highly desirable that subscriptions should be telegraphed to us.

Yours very truly,

R. H. Treman,
Deputy Governor.

Legality:

Opinions have been given by the Attorney General of the United States and by the general counsel of the War Finance Corporation that these bonds will constitute valid and binding obligations of the Corporation, and will entitle their holders to the exemptions from taxation as set forth in this circular.

Tax Exemption:

In accordance with said Act of Congress, the bonds are exempt, both as to principal and interest, from all taxation now or hereafter imposed by the United States, any state, or any of the possessions of the United States, or by any local taxing authority, except (a) estate or inheritance taxes, and (b) graduated additional income taxes, commonly known as surtaxes, and excess profits and war profits taxes, now or hereafter imposed by the United States, upon the income or profits of individuals, partnerships, corporations or associations.

The interest on an amount of such bonds authorized by said act, the principal of which does not exceed in the aggregate $5,000 owned by any individual, partnership, corporation or association, is exempt from the taxes referred to in clause (b).

Discount and Rediscount Rights:

It is further provided by said Act that Federal reserve banks are authorized, subject to the maturity limitations of the Federal Reserve Act and to regulations of the Federal Reserve Board, to discount the direct obligations of member banks, secured by the bonds of the Corporation, and to rediscount eligible paper secured by the bonds and endorsed by a member bank. No such discount or rediscount, however, may be at an interest charge less than 1% per annum above the prevailing rate for eligible commercial paper of corresponding maturity.

Security:

The act creating the Corporation provides that all bonds issued by the Corporation shall have a first and paramount floating charge on all the assets of the Corporation and that the Corporation shall not at any time mortgage or pledge any of its assets. These assets include not only such as may be obtained through the proceeds of sale of these bonds, but also those obtained from funds raised through subscriptions to capital stock. The United States is not liable for the payment of these bonds or the interest upon them.

Capitalization of Corporation:

The total authorized capital stock of the War Finance Corporation is $500,000,000 all of which shall, under said Act of Congress, be subscribed by the United States of America. To date, $350,000,000 of the capital stock has been subscribed and paid for, and is now owned by the United States of America; subscription to the remaining $150,000,000 is subject to call upon the vote of three-fifths of the board of directors of the Corporation, with the approval of the Secretary of the Treasury, at such time or times as may be deemed advisable. The Secretary of the Treasury is by law the chairman of the board.

The object of the act creating the Corporation was, as expressed in its title: "To provide further for the national security and defense, and, for the purpose of assisting in the prosecution of the war, to provide credits for industries and enterprises in the United States necessary or contributory to the prosecution of the war, * * * and for other purposes."
