ADDITIONAL ISSUE

1935
Department Circular No. 546
Public Debt Service

The Secretary of the Treasury, pursuant to the authority of the Second Liberty Bond Act, approved September 24, 1917, as amended, offers to the people of the United States $100,000,000, or thereabouts, 2⅞ percent Treasury Bonds of 1955-60, and invites tenders therefor at not less than par and accrued interest from March 15, 1935, to July 22, 1935.

DESCRIPTION OF BONDS

The bonds now offered will be an addition to and will form a part of the series of 2⅞ percent Treasury Bonds of 1955-60 issued pursuant to Department Circulars No. 531, dated March 4, 1935, and No. 536, dated April 22, 1935, will be freely interchangeable therewith, are identical in all respects therewith, and are described in the following quotation from Department Circular No. 531:

"The bonds will be dated March 15, 1935, and will bear interest from that date at the rate of two and seven-eighths percent per annum, payable semiannually, on September 15, 1935, and thereafter on March 15 and September 15 in each year until the principal amount becomes payable. They will mature March 15, 1960, but may be redeemed at the option of the United States on and after March 15, 1955, in whole or in part, at par and accrued interest, on any interest day or days, on 4 months' notice of redemption given in such manner as the Secretary of the Treasury shall prescribe. In case of partial redemption the bonds to be redeemed will be determined by such method as may be prescribed by the Secretary of the Treasury. From the date of redemption designated in any such notice, interest on the bonds called for redemption shall cease.

"The bonds shall be exempt, both as to principal and interest, from all taxation now or hereafter imposed by the United States, any State, or any of the possessions of the United States, or by any local taxing authority, except (a) estate or inheritance taxes, and (b) graduated additional income taxes, commonly known as surtaxes, and excess-profits and war-profits taxes, now or hereafter imposed by the United States, upon the income or profits of individuals, partnerships, associations, or corporations. The interest on an amount of bonds authorized by the Second Liberty Bond Act, approved September 24, 1917, as amended, the principal of which does not exceed in the aggregate $5,000, owned by any individual, partnership, association, or corporation, shall be exempt from the taxes provided for in clause (b) above.

"The bonds will be acceptable to secure deposits of public moneys, and will bear the circulation privilege only to the extent provided in the act approved July 22, 1932, as amended. They will not be entitled to any privilege of conversion.

"Bearer bonds with interest coupons attached, and bonds registered as to principal and interest, will be issued in denominations of $50, $100, $500, $1,000, $5,000, $10,000, and $100,000. Provision will be made for the interchange of bonds of different denominations and of coupon and registered bonds, and for the transfer of registered bonds under rules and regulations prescribed by the Secretary of the Treasury.

"The bonds will be subject to the general regulations of the Treasury Department, now or hereafter prescribed, governing United States bonds."

1Similarly, the exemption does not apply to the gift tax, see Treasury Decision 4550.
TENDERS AND ALLOTMENTS

Tenders will be received at the Federal Reserve banks and branches thereof up to 12 o'clock noon, Eastern Standard time, Wednesday, July 17, 1935, and unless received by that time will be disregarded. Tenders will not be received at the Treasury Department, Washington. Each tender must state the face amount of bonds bid for, which must be $1,000 or any even multiple thereof, and the price offered. The price offered must be stated exclusive of accrued interest from March 15, 1935, to July 22, 1935; and must be expressed on the basis of 100, with fractions expressed as 32ds of 1 percent, in accordance with usual practice, e.g., 101–16/32. Tenders at less than par will not be considered.

Tenders will be received without deposit from incorporated banks and trust companies and from responsible and recognized dealers in investment securities. Tenders from others must be accompanied in every case by a deposit of 5 percent of the face amount of bonds bid for, except where the tender is accompanied by an express guaranty of payment by an incorporated bank or trust company. If the tender is accepted, in whole or in part, the deposit will be applied toward payment for the bonds, the balance to be paid as hereinafter provided. If the tender is rejected, the deposit will be returned to the bidder.

Tenders must be enclosed in envelopes, securely sealed, addressed to the Federal Reserve bank, or branch, of the district, and plainly marked "Tender for 2½% percent Treasury Bonds of 1955-60". The Federal Reserve banks will supply printed forms and special envelopes for submitting tenders. Incorporated banks and trust companies not located in a city where a Federal Reserve bank or branch is located may, in their discretion, submit tenders by telegram, but such telegrams must be received at the Federal Reserve bank or branch before the time fixed for closing.

Immediately after the closing hour for the receipt of tenders on July 17, 1935, all tenders received in writing or by telegraph at the Federal Reserve banks or branches thereof up to the closing hour (12 o'clock noon, Eastern Standard time) will be opened. The Secretary of the Treasury will determine the acceptable prices offered and will make public announcement thereof as soon as possible after the opening of tenders. Those submitting tenders will be advised by the Federal Reserve banks of the acceptance or rejection thereof, and payment on accepted tenders must be made as hereinafter provided. In considering the acceptance of tenders, the highest prices offered will be accepted in full down to the amount required; and if the same price appears in two or more tenders and it is necessary to accept only a part of the amount offered at such price, tenders for smaller amounts may be accorded preference and tenders for larger amounts prorated to the extent necessary in accordance with the respective amounts bid for. The Secretary of the Treasury expressly reserves the right, however, to reject any or all tenders or parts of tenders, and to award less than the amount bid for, and any action he may take in any such respect or respects shall be final.

PAYMENT

Payment for any bonds allotted on accepted tenders must be made or completed on or before July 22, 1935, in cash or other immediately available funds, and must include the face amount, and the premium which the bidder has agreed to pay, together with accrued interest on the face amount from March 15, 1935, to July 22, 1935. In every case where payment is not so completed, the 5 percent deposit with application shall, upon declaration made by the Secretary of the Treasury in his discretion, be forfeited to the United States.

GENERAL PROVISIONS

Federal Reserve banks, as fiscal agents of the United States, are authorized and requested to receive tenders, to make allotments as indicated by the Secretary of the Treasury to the Federal Reserve banks of the respective districts, to issue allotment notices, to receive payment for bonds allotted, to make delivery of bonds on full-paid allotments, and to perform such other acts as may be necessary to carry out the provisions of this circular. Pending delivery of the definitive bonds, Federal Reserve banks may issue interim receipts.

The Secretary of the Treasury may at any time, or from time to time, prescribe supplemental or amendatory rules and regulations governing the receipt of tenders and the sale of bonds under this circular, which will be communicated promptly to the Federal Reserve banks.

HENRY MORGENTHAU, JR.,
Secretary of the Treasury.
