SUPPLEMENT TO REGULATION D

Reserves Required To Be Maintained By Member Banks
With Federal Reserve Banks

Reduction Effective September 14, 1942

To all Member Banks in the
Second Federal Reserve District:

Enclosed is a printed copy of a supplement to Regulation D, "Reserves of Member Banks", adopted by the Board of Governors of the Federal Reserve System to supersede the existing supplement to Regulation D and to become effective at the opening of business on September 14, 1942.

The Board's statement released for publication on September 14, 1942, with respect to the action taken by the Board, is as follows:

The Board of Governors today announced a reduction from 24 to 22 per cent in reserve requirements for net demand deposits at central reserve city member banks in New York and Chicago. The reduction will become effective as of the opening of business on September 14, 1942.

Additional copies of this circular and of the enclosed supplement will be furnished upon request.

ALLAN SPROUL,
President.
SUPPLEMENT TO REGULATION D

Effective as to each member bank at the opening of business on September 14, 1942

RESERVES REQUIRED TO BE MAINTAINED BY MEMBER BANKS WITH FEDERAL RESERVE BANKS

Pursuant to the provisions of section 19 of the Federal Reserve Act and section 2(a) of its Regulation D, the Board of Governors of the Federal Reserve System hereby prescribes the following reserve balances which each member bank of the Federal Reserve System is required to maintain on deposit with the Federal Reserve Bank of its district:

6 per cent of its time deposits plus—

14 per cent of its net demand deposits if not in a reserve or central reserve city;

20 per cent of its net demand deposits if in a reserve city, except as to any bank located in an outlying district of a reserve city or in territory added to such city by the extension of the city's corporate limits, which, by the affirmative vote of five members of the Board of Governors of the Federal Reserve System, is permitted to maintain 14 per cent reserves against its net demand deposits;

22 per cent of its net demand deposits if located in a central reserve city, except as to any bank located in an outlying district of a central reserve city or in territory added to such city by the extension of the city's corporate limits, which, by the affirmative vote of five members of the Board of Governors of the Federal Reserve System, is permitted to maintain 14 per cent or 20 per cent reserves against its net demand deposits.

The supplements to Regulation D which have previously been issued are hereby revoked and superseded.
