OFFERING OF

7/8 Percent Treasury Certificates of Indebtedness of Series J-1947
Dated and bearing interest from October 1, 1946
Due October 1, 1947

IN EXCHANGE FOR

7/8 Percent Treasury Certificates of Indebtedness of Series H-1946, Maturing October 1, 1946

To all Banking Institutions, and Others Concerned, in the Second Federal Reserve District:

The following press statement was today made public:

Secretary of the Treasury Snyder today announced the offering, through the Federal Reserve Banks, of 7/8 percent Treasury Certificates of Indebtedness of Series J-1947, open on an exchange basis, par for par, to holders of Treasury Certificates of Indebtedness of Series H-1946, in the amount of $3,439,555,000, which will mature on October 1, 1946. Since it is planned to retire about $2,000,000,000 of the maturing certificates on cash redemption, subscriptions will be received subject to allotment to all holders on an equal percentage basis, except that subscriptions in amounts up to $25,000 will be allotted in full. Cash subscriptions will not be received.

The certificates now offered will be dated October 1, 1946, and will bear interest from that date at the rate of seven-eighths of one percent per annum, payable with the principal at maturity on October 1, 1947. They will be issued in bearer form only, in denominations of $1,000, $5,000, $10,000, $100,000 and $1,000,000.

Pursuant to the provisions of the Public Debt Act of 1941, interest upon the certificates now offered shall not have any exemption, as such, under Federal tax Acts now or hereafter enacted. The full provisions relating to taxability are set forth in the official circular released today.

Subscriptions will be received at the Federal Reserve Banks and Branches, and at the Treasury Department, Washington, and should be accompanied by a like face amount of the maturing certificates.

The subscription books will close at the close of business Friday, September 20, except for the receipt of subscriptions from holders of $25,000 or less of the maturing certificates. The subscription books will close for the receipt of subscriptions of the latter class at the close of business Monday, September 23.

Subscriptions addressed to a Federal Reserve Bank or Branch or to the Treasury Department, and placed in the mail before midnight of the respective closing days, will be considered as having been entered before the close of the subscription books.

The terms of this offering are set forth in Treasury Department Circular No. 794, dated September 18, 1946, copy of which is printed on the reverse side.

The subscription books are now open and applications will be received by this bank as fiscal agent of the United States. Cash subscriptions will not be received. Exchange subscriptions should be made on official subscription blanks and mailed immediately or, if filed by telegram or letter, should be confirmed immediately by mail on the blanks provided.

ALLAN SPRBOUL,
President.
