

TREASURY DEPARTMENT
Washington

FOR RELEASE, MORNING NEWSPAPERS,
Friday, June 14, 1946

Press Service
No. V-363

The Treasury Department announced today that Denmark has been added to the list of countries whose blocked accounts may be released under the certification procedure of General License No. 95. This action was taken after an exchange of letters between the Danish Minister of Commerce, Trade and Shipping and the Treasury Department similar to those written in connection with the defrosting of the countries previously named in the license. Copies of the letters are available at the Federal Reserve Banks of New York, Chicago and San Francisco.

The Danish Government has designated the Danmarks Nationalbank as its certifying agent.

THE PROCLAIMED LIST OF CERTAIN BLOCKED NATIONALS

Cumulative Supplement No. 3, June 6, 1946

to

Revision X of December 20, 1945

ADMINISTRATIVE ORDER

By virtue of the authority vested in the Secretary of State, acting in conjunction with the Secretary of the Treasury, the Attorney General, and the Secretary of Commerce, by Proclamation 2497 of the President of July 17, 1941 (6 F. R. 3555),¹ Cumulative Supplement 3 containing certain additions to, amendments to, and deletions from The Proclaimed List of Certain Blocked Nationals, Revision X of December 20, 1945 (10 F. R. 15335), is hereby promulgated.²

By direction of the President:

JAMES F. BYRNES
Secretary of State

TOM C. CLARK
Attorney General

O MAX GARDNER
Acting Secretary of the Treasury

H. A. WALLACE
Secretary of Commerce

June 6, 1946

¹ This proclamation mentions the Administrator of Export Control. Under Executive Order 9630, of Sept. 27, 1945 (10 *Federal Register* 12245), the Secretary of Commerce now has responsibility for the administration of export control, having assumed this responsibility on Oct. 20, 1945. This proclamation also mentions the Coordinator of Commercial and Cultural Relations between the American republics. Under Executive Order 9710 of April 10, 1946 (11 *Federal Register* 3941) the Office of Inter-American Affairs, successor to the Coordinator of Commercial and Cultural Relations, was terminated effective at the close of business May 19, 1946.

² Filed with the Division of the Federal Register in the National Archives. Requests for printed copies should be addressed to the Federal Reserve banks or the Department of State.

GENERAL NOTES

- (1) The Proclaimed List is divided into two parts: part I relates to listings in the American republics; part II relates to listings outside the American republics.
- (2) Revision X of the Proclaimed List, of which this is a supplement, supersedes all previous lists published prior to December 20, 1945. The present series of supplements is cumulative, and each succeeding supplement supersedes all previous supplements to the List. Accordingly, the current Cumulative Supplement and Revision X together constitute the effective List.
- (3) In part I titles are listed in their letter-address form, word for word as written in that form, with the following exceptions:

If the title includes a full personal name, that is, a given name or initial and surname, the title is listed under the *surname*.

The listing is made under the next word of the title when the initial word or phrase, or abbreviation thereof, is one of the following Spanish forms or similar equivalent forms in any other language:

Compañía; Cía.; Comp.
Compañía Anónima; C.A.; Comp. Anón.
Sociedad; Soc.
Sociedad Anónima; S.A.; Soc. Anón.

- (4) In part I personal-name prefixes such as *de*, *la*, *von*, etc., are considered as part of the surname and are the basis for listing.
- (5) Spanish personal names containing a compound surname are listed, with rare exceptions, under the first part of the surname. For example, the name José Fulano Sutano or José Fulano y Sutano would be listed:

Fulano Sutano, José
or
Fulano y Sutano, José

Users of the List should, as a precaution, check all surnames that are part of a particular name.

- (6) Addresses appearing after names on the List are not intended to exclude other addresses of the same firms or individuals. A listed name refers to all branches of the business in the country.

- (7) For the convenience of users, symbols are placed after each name on the List to indicate, by reference to the table below, the dates of the supplements or revisions in which the name first appeared, or was amended or deleted. It has not been found practicable, however, to indicate here the dates of listings made between July 17, 1941, the date of the original list, and Revision I, dated February 7, 1942. Accordingly, names appearing prior to Revision I and retained in that revision are followed only by the symbol "I". Roman numerals refer to revisions, arabic numerals to supplements. For example, a name followed by the symbols II-1, III, X-1 signifies that the listing first appeared in Revision II, Supplement 1; was amended in Revision III; and was amended or deleted in Revision X, Supplement 1. Since in the Cumulative Supplements deletions as well as amendments are carried in each succeeding supplement, the last of two or more symbols may reflect either an amendment or a deletion, depending on the action heading under which the listing currently appears.
