in the Second Federal Reserve District:*

The Treasury Department has authorized and requested this Bank to reclassify the Treasury Tax and Loan Depositaries in this District into Groups A, B, and C as of August 12, 1969, upon the basis of the total deposits credited to tax and loan accounts during the period March 1 through May 31, 1969, exclusive of payments for subscriptions to Government securities and redeposits with Group C banks. Accordingly, depositaries that made a total of such deposits in this period in the amounts indicated below will be grouped as follows:
