COUNTING OF SILVER COIN AS RESERVES

Extension to August 10 of Time To Submit Comments  
on Proposed Amendment to Regulation D

*To All Member Banks, and Others Concerned,  
in the Second Federal Reserve District:*

The Board of Governors of the Federal Reserve System has extended, until August 10, 1970, the period within which interested persons may submit views on the proposed amendment to section 204.1(j) of Regulation D. The proposal, contained in our Circular No. 6554, dated June 3, 1970, would exclude from the scope of the term "currency and coin" any coin that is being held principally for its bullion value or numismatic value.

Comments on the proposed amendment should be sent to our Bank Reports and Analysis Department.

ALFRED HAYES,  
*President.*
