# FEDERAL RESERVE BANK OF NEW YORK

May 1974

*To All Banks in the  
Second Federal Reserve District:*

This edition of the directory of this Bank is an organization directory, showing the functional organization of the Bank and its departments and divisions, together with the names and telephone numbers of the officers, division chiefs, and certain senior staff members of the Bank. This directory supplements the directory issued in December 1973, which listed operational matters on which we receive frequent telephone inquiries, the departments in which they are handled, and the telephone numbers to which such inquiries should be directed. New appointments of officers and changes in their titles are announced currently in supplements to, or revisions of, our Operating Circular No. 1, "Authorized Signatures."

The use of this directory should aid you in communicating with the appropriate persons and units in this Bank. We will be pleased to furnish additional copies of the directory upon request.

ALFRED HAYES,  
*President.*
