## Offering of April and June Tax Anticipation Treasury Bills

*To All Incorporated Banks and Trust Companies, and Others  
Concerned, in the Second Federal Reserve District:*

The following notice was issued yesterday by the Treasury Department:

The Treasury Department, by this public notice, invites tenders for two series of Treasury bills to the aggregate amount of \$3,500,000,000, or thereabouts, as follows:

134-day bills, for \$2,250,000,000, or thereabouts, to be dated and issued December 3, 1974, and to mature April 16, 1975 (CUSIP No. 912793 XA9). The bills will be accepted at face value in payment of income taxes due on April 15, 1975.

194-day bills, for \$1,250,000,000, or thereabouts, to be dated and issued December 5, 1974, and to mature June 17, 1975 (CUSIP No. 912793 XB7). The bills will be accepted at face value in payment of income taxes due on June 15, 1975.

The bills of both series will be issued on a discount basis under competitive and noncompetitive bidding as hereinafter provided and at maturity, to the extent they are not presented in payment of income taxes, their face amount will be payable without interest. They will be issued in bearer form only, and in denominations of \$10,000, \$15,000, \$50,000, \$100,000, \$500,000 and \$1,000,000 (maturity value).

Taxpayers desiring to apply these bills in payment of income taxes may submit the bills to a Federal Reserve Bank or Branch or to the Office of the Treasurer of the United States, Washington, not more than fifteen days before the appropriate income tax payment date. In the case of bills submitted in payment of income taxes of a corporation they shall be accompanied by a duly completed Form 503 and the office receiving these items will effect the deposit on the date the taxes are due. In the case of bills submitted in payment of income taxes of all other taxpayers, the office receiving the bills will issue receipts therefor, the original of which the taxpayer shall submit on or before the date the taxes are due to the District Director of Internal Revenue for the District in which such taxes are payable.

Tenders will be received at Federal Reserve Banks and Branches up to the closing hour, one-thirty p.m., Eastern Standard time, Wednesday, November 20, 1974, for the 134-day bills and up to one-thirty p.m., Eastern Standard time, Tuesday, November 26, 1974, for the 194-day bills. Tenders will not be received at the Treasury Department, Washington. Each tender must be for a minimum of \$10,000. Tenders over \$10,000 must be in multiples of \$5,000. In the case of competitive tenders the price offered must be expressed on the basis of 100, with not more than three decimals, e.g., 99.925. Fractions may not be used.

It is urged that tenders be made on the printed forms and forwarded in the special envelopes which will be supplied by Federal Reserve Banks or Branches on application therefor.

Banking institutions, and dealers who make primary markets in Government securities and report daily to the Federal Reserve Bank of New York their positions with respect to Government securities and borrowings thereon, may submit tenders for account of customers, provided the names of the customers are set forth in such tenders. Others will not be permitted to submit tenders except for their own account. Tenders will be received without deposit from incorporated banks and trust companies and from responsible and recognized dealers in investment securities. Tenders from others must be accompanied by payment of 2 percent of the face amount of Treasury bills applied for, unless the tenders are accompanied by an express guaranty of payment by an incorporated bank or trust company.

Immediately after the closing hour, tenders will be opened at the Federal Reserve Banks and Branches, following which public announcement will be made by the Treasury Department of the amount and price range of accepted bids. Only those submitting competitive tenders will be advised of the acceptance or rejection thereof. The Secretary of the Treasury expressly reserves the right to accept or reject any or all tenders, in whole or in part, and his action in any such respect shall be final. Subject to these reservations, noncompetitive tenders for \$500,000 or less for the 134-day bills and \$300,000 or less for the 194-day bills, without stated price from any one bidder will be accepted in full at the average price (in three decimals) of accepted competitive bids for the respective issues. Settlement for accepted tenders in accordance with the bids must be made or completed at the Federal Reserve Bank in cash or other immediately available funds on December 3, 1974, for the 134-day bills, and on December 5, 1974, for the 194-day bills.

Under Sections 454(b) and 1221(5) of the Internal Revenue Code of 1954, the amount of discount at which bills issued hereunder are sold is considered to accrue when the bills are sold, redeemed or otherwise disposed of, and the bills are excluded from consideration as capital assets. Accordingly, the owner of Treasury bills (other than life insurance companies) issued hereunder must include in his income tax return, as ordinary gain or loss, the difference between the price paid for the bills, whether on original issue or on subsequent purchase, and the amount actually received either upon sale or redemption at maturity during the taxable year for which the return is made.

(OVER)
