Offering of $2,100,000,000 of 364-Day Treasury Bills

Dated February 11, 1975

Due February 10, 1976

To All Incorporated Banks and Trust Companies, and Others Concerned, in the Second Federal Reserve District:

Following is the text of a notice issued today by the Treasury Department:

The Treasury Department, by this public notice, invites tenders for $2,100,000,000, or thereabouts, of 364-day Treasury bills to be dated February 11, 1975, and to mature February 10, 1976 (CUSIP No. 912793 YF7).

The bills will be issued for cash and in exchange for Treasury bills maturing February 11, 1975, outstanding in the amount of $1,802,095,000, of which Government accounts and Federal Reserve Banks, for themselves and as agents of foreign and international monetary authorities, presently hold $1,180,300,000. These accounts may exchange bills they hold for the bills now being offered at the average price of accepted tenders.

The Treasury Department invites tenders to be made on the printed form and forwarded in the special envelopes which will be supplied by Federal Reserve Banks or Branches on application therefor.

Tenders will be received at Federal Reserve Banks and Branches up to the closing hour, one-thirty p.m., Eastern Standard time, Wednesday, February 5, 1975. Tenders will not be received at the Treasury Department, Washington. Each tender must be for a minimum of $10,000. Tenders over $10,000 must be in multiples of $5,000. In the case of competitive tenders the price offered must be expressed on the basis of 100, with not more than three decimals, e.g., 99.925. Fractions may not be used. It is urged that tenders be made on the printed forms and forwarded in the special envelopes which will be supplied by Federal Reserve Banks or Branches on application therefor.

Banking institutions and dealers who make primary markets in Government securities and report daily to the Federal Reserve Bank of New York their positions with respect to Government securities and borrowings thereon may submit tenders for account of customers, provided the names of the customers are set forth in such tenders. Others will not be permitted to submit tenders except for their own account. Tenders will be received without deposit from incorporated banks and trust companies and from responsible and recognized dealers in investment securities. Tenders from others must be accompanied by payment of 2 percent of the face amount of Treasury bills applied for, unless the tenders are accompanied by an express guaranty of payment by an incorporated bank or trust company.

Immediately after the closing hour, tenders will be opened at the Federal Reserve Banks and Branches, following which public announcement will be made by the Treasury Department of the amount and price range of accepted bids. Only those submitting competitive tenders will be advised of the acceptance or rejection thereof. The Secretary of the Treasury expressly reserves the right to accept or reject any or all tenders, in whole or in part, and his action in any such respect shall be final. Subject to these reservations, noncompetitive tenders for $200,000 or less without stated price from any one bidder will be accepted in full at the average price (in three decimals) of accepted competitive bids. Settlement for accepted tenders in accordance with the bids must be made or completed at the Federal Reserve Bank on February 11, 1975, in cash or other immediately available funds or in a like face amount of Treasury bills maturing February 11, 1975. Cash and exchange tenders will receive equal treatment. Cash adjustments will be made for differences between the par value of maturing bills accepted in exchange and the issue price of the new bills.

Under Sections 454(b) and 1221(5) of the Internal Revenue Code of 1954, the amount of discount at which bills issued hereunder are sold is considered to accrue when the bills are sold, deemed or otherwise disposed of, and the bills are excluded from consideration as capital assets. Accordingly, the owner of Treasury bills (other than life insurance companies) issued hereunder must include in his income tax return, as ordinary gain or loss, the difference between the price paid for the bills, whether on original issue or on subsequent purchase, and the amount actually received either upon sale or redemption at maturity during the taxable year for which the return is made.

This Bank will receive tenders up to 1:30 p.m., Eastern Standard time, Wednesday, February 5, 1975, at the Securities Department of its Head Office and at its Buffalo Branch. Please use the form on the reverse side of this notice to submit a tender and return it in the enclosed envelope marked "Tender for Treasury Bills." Tenders not requiring a deposit may be submitted by telegraph, subject to written confirmation; no tenders may be submitted by telephone. Payment for the Treasury bills cannot be made by credit through the Treasury Tax and Loan Account. Settlement must be made in cash or other immediately available funds or in maturing Treasury bills.

ALFRED HAYES,
President.
