Correction of 10-Year Note Announcement

The CUSIP designation for the 10-year notes, Series A-1991, to be issued by the Treasury Department on May 15, 1981, was incorrectly stated in our Circular No. 9064, dated April 30, 1981, regarding the Treasury's May quarterly financing. The correct CUSIP designation for these notes is CUSIP No. 912827 LW0.
