Nomination of Class A Director
For Term of Office Ending December 31, 1988

To the Member Banks of the Second Federal Reserve District:

An election of a class A director of this Bank will be held under the provisions of section 4 of the Federal Reserve Act, as amended, to choose a successor, to serve for a three-year term, to ALFRED BRITTAII III, Chairman of the Board, Bankers Trust Company, New York, N.Y., whose term as a class A director will expire December 31, 1985.

Mr. Brittain was elected by member banks in Group 1 and his successor will be chosen by this group. Member banks in Groups 2 and 3 will not participate in this election.

The classification of member banks for the purposes of nomination and election of class A and B directors of the Federal Reserve Bank of New York is as follows:

Group 1 consists of banks with capital and surplus of more than $400,000,000;
Group 2, of banks with capital and surplus of $6,500,000 to $400,000,000, inclusive; and
Group 3, of banks with capital and surplus of less than $6,500,000.

For the purposes of this election, a member bank's classification will be determined by its capital and surplus as of the date of this circular, even though its capital and surplus may change before the polls close. The list of banks comprising Group 1 appears on page 3.

Except in the case of any member banks that are subsidiaries of the same bank holding company,* each member bank in Group 1 is permitted to nominate a candidate for class A

* Section 4 of the Federal Reserve Act, as amended, reads in part as follows:

"... That whenever any member banks within the same Federal Reserve district are subsidiaries of the same bank holding company within the meaning of the Bank Holding Company Act of 1956, participation in any such nomination or election by such member banks, including such bank holding company if it is also a member bank, shall be confined to one of such banks, which may be designated for the purpose by such holding company."

Pursuant to the foregoing provision, a nomination by any bank that is a subsidiary of a multibank holding company cannot be accepted unless there is on file with this Bank evidence that such bank has been so designated. Accordingly, banks affected by the foregoing provision of the law are requested to take prompt action to have the appropriate bank holding company designate, if it has not already designated, one of such banks to participate in this nomination and election.

If such bank holding company does not have on file with this Bank an appropriate resolution either permanently designating one of such banks to participate in nominations or elections of this Bank's directors or setting forth the authority under which such designations will be made from time to time, such bank holding company may wish to file such resolution with this Bank. A form of resolution authorizing officers of a bank holding company to make such designations is enclosed for such bank holding companies.
director.† The nominations should be made by resolutions of the boards of directors of the
nominating banks (or by resolutions of the banks’ executive committees, if such committees are
empowered to take such action), and certified copies of such resolutions should be sent to me so as
to reach me on or before Friday, November 29, 1985. The enclosed printed form shows the appro­
priate form of resolution, and one executed copy of the form should be returned to me.

On December 2, 1985, copies of the list of candidates (indicating by whom nominated) and
preferential ballots will be mailed to the banks in Group 1. The law provides that the ballot shall be
cast within 15 days after receipt of this list. The polls will open at 10 a.m., December 3, 1985, and
will close at 12 noon on Wednesday, December 18, 1985. Upon the closing of the polls, the ballot
box will be opened in the board room of this Bank, the votes counted and checked by tellers, and
the result of the election announced. The candidates may, if they so desire, be present or repre­
sented on that occasion.

In order to be counted as valid, the ballot must be executed by an officer authorized to cast the
vote and must be received by me at or before the time thus fixed for the closing of the polls (i.e., at
or before 12 noon on Wednesday, December 18, 1985). The officers heretofore designated for this
purpose by each bank in Group 1 are shown on the list on page 3. Any Group 1 bank that desires to
change its authorization should do so by resolution of its board of directors; a certified copy of such
resolution must reach me before the polls close. A form for this purpose will be furnished upon
request.

Because banks in Groups 2 and 3 will not participate in this election, this circular is sent to
them without forms and for their information only.

JOHN BRADEMAS,
Chairman of the Board.

† Section 4 of the Federal Reserve Act, as amended, reads in part as follows:

“Class A shall consist of three members, without discrimination on the basis of race, creed, color, sex,
or national origin, who shall be chosen by and be representative of the stockholding banks. . . . No officer or
director of a member bank shall be eligible to serve as a class A director unless nominated and elected by
banks which are members of the same group as the member bank of which he is an officer or director.”

“Any person who is an officer or director of more than one member bank shall not be eligible for nomi­
nation as a class A director except by banks in the same group as the bank having the largest aggregate re­
sources of any of those of which such person is an officer or director.”

“No Senator or Representative in Congress shall be a member of the Board of Governors of the Federal
Reserve System or an officer or a director of a Federal reserve bank.”

[The Board of Governors of the Federal Reserve System has expressed the opinion that it is inappropriate, as a general rule, for
directors of Federal Reserve Banks to hold partisan political or public office in the service of the United States, or of any State, Territory,
county, district, political subdivision, or municipality thereof, or to act as members of political party committees or political fund-raising
committees. The System’s policy is to avoid any situations that might give the appearance of associating the Reserve Banks with political
activities.]
