Mr. Grant Foreman
1419 West Okmulgee Avenue
Muskogee, Oklahoma

My dear Mr. Foreman:

Please accept my cordial thanks for your friendly letter and the good wishes of Mrs. Foreman to Mrs. Owen and myself. I shall welcome your history of Oklahoma.

I am sending you under separate cover Senate Document 23 (under frank of Senator Logan) written by me which points the way to permanent prosperity and peace; the hearings before the Banking and Currency Committee of the House of Representatives on the Patman bill concerning which I testified for six days; and a copy of "The Senatorial Career of Robert Latham Owen" by Dr. Edward Keso.

Oklahoma should back my efforts for Congressional monetary control. It is vital to the people and welfare of Oklahoma and the other forty-seven states.

I send you my blessing and the best wishes of Mrs. Owen and myself for the happiness of Mrs. Foreman and yourself. I remember with deep pleasure my acquaintance with Judge Thomas.

Yours very sincerely,

Robert L. Owen
