Subject: Applications under the Provisions  
of Kern Amendment to Clayton Act.

Dear Sir:-

Your attention is respectfully directed to the Board's Form No. 94-B, being a statement by Federal Reserve Agents upon applications made to the Federal Reserve Board, under the provisions of the Kern amendment to the Clayton Act.

The Board is receiving these reports on forms that are not completed by Federal Reserve Agents so far as paragraph No. 1 is concerned, viz:

"If institutions are located in the same city or town, what is the approximate distance between such institutions."

It is of great assistance to the Board to know the geographical locations of the banks affected by any particular application, and the Board requests that you supply this information in all reports made by you.

Very truly yours,

Secretary.

To Chairmen of all F.R. Banks.
