Gentlemen:

It is intended to publish in the December issue of the Federal Reserve Bulletin a complete list of foreign branches of national banks and foreign banks doing business under agreement with the Federal Reserve Board, which were open for business on November 18, 1920.

It will be appreciated, therefore, if you will furnish this office, as soon as convenient, with such a list for your institution.

Very truly yours,

Assistant to Governor.

Sent to all national banks having foreign branches and foreign banks doing business under agreement with the Federal Reserve Board.
